Westfield, New Jersey

FOREWORD . . .

In the future which lies ahead there is nothing but growth and progress for the individual of imagination and ingenuity. As the plan of life is laid out, change for the better is the key to fruitful and purposeful existence in this ever-changing world. There is perhaps satisfaction in reflecting on past gains, and certain pleasure in relishing the good of the moment, but joy, happiness rests only in unrest, in the yet unattained goods to come. The goals of today will be surpassed by the accomplishments of tomorrow as certainly as night follows day.

Each new thought or experience is in itself a threshold to loftier achievement. Truly, there is no great achievement without great effort. The future accomplishments of the Class of 1962 of Westfield High School, be they in the field of education, business or family life, require and deserve the utmost in constructive endeavor of which each individual is capable. The future is in our hands. This is merely a commencement in our lives — a true beginning of our end.

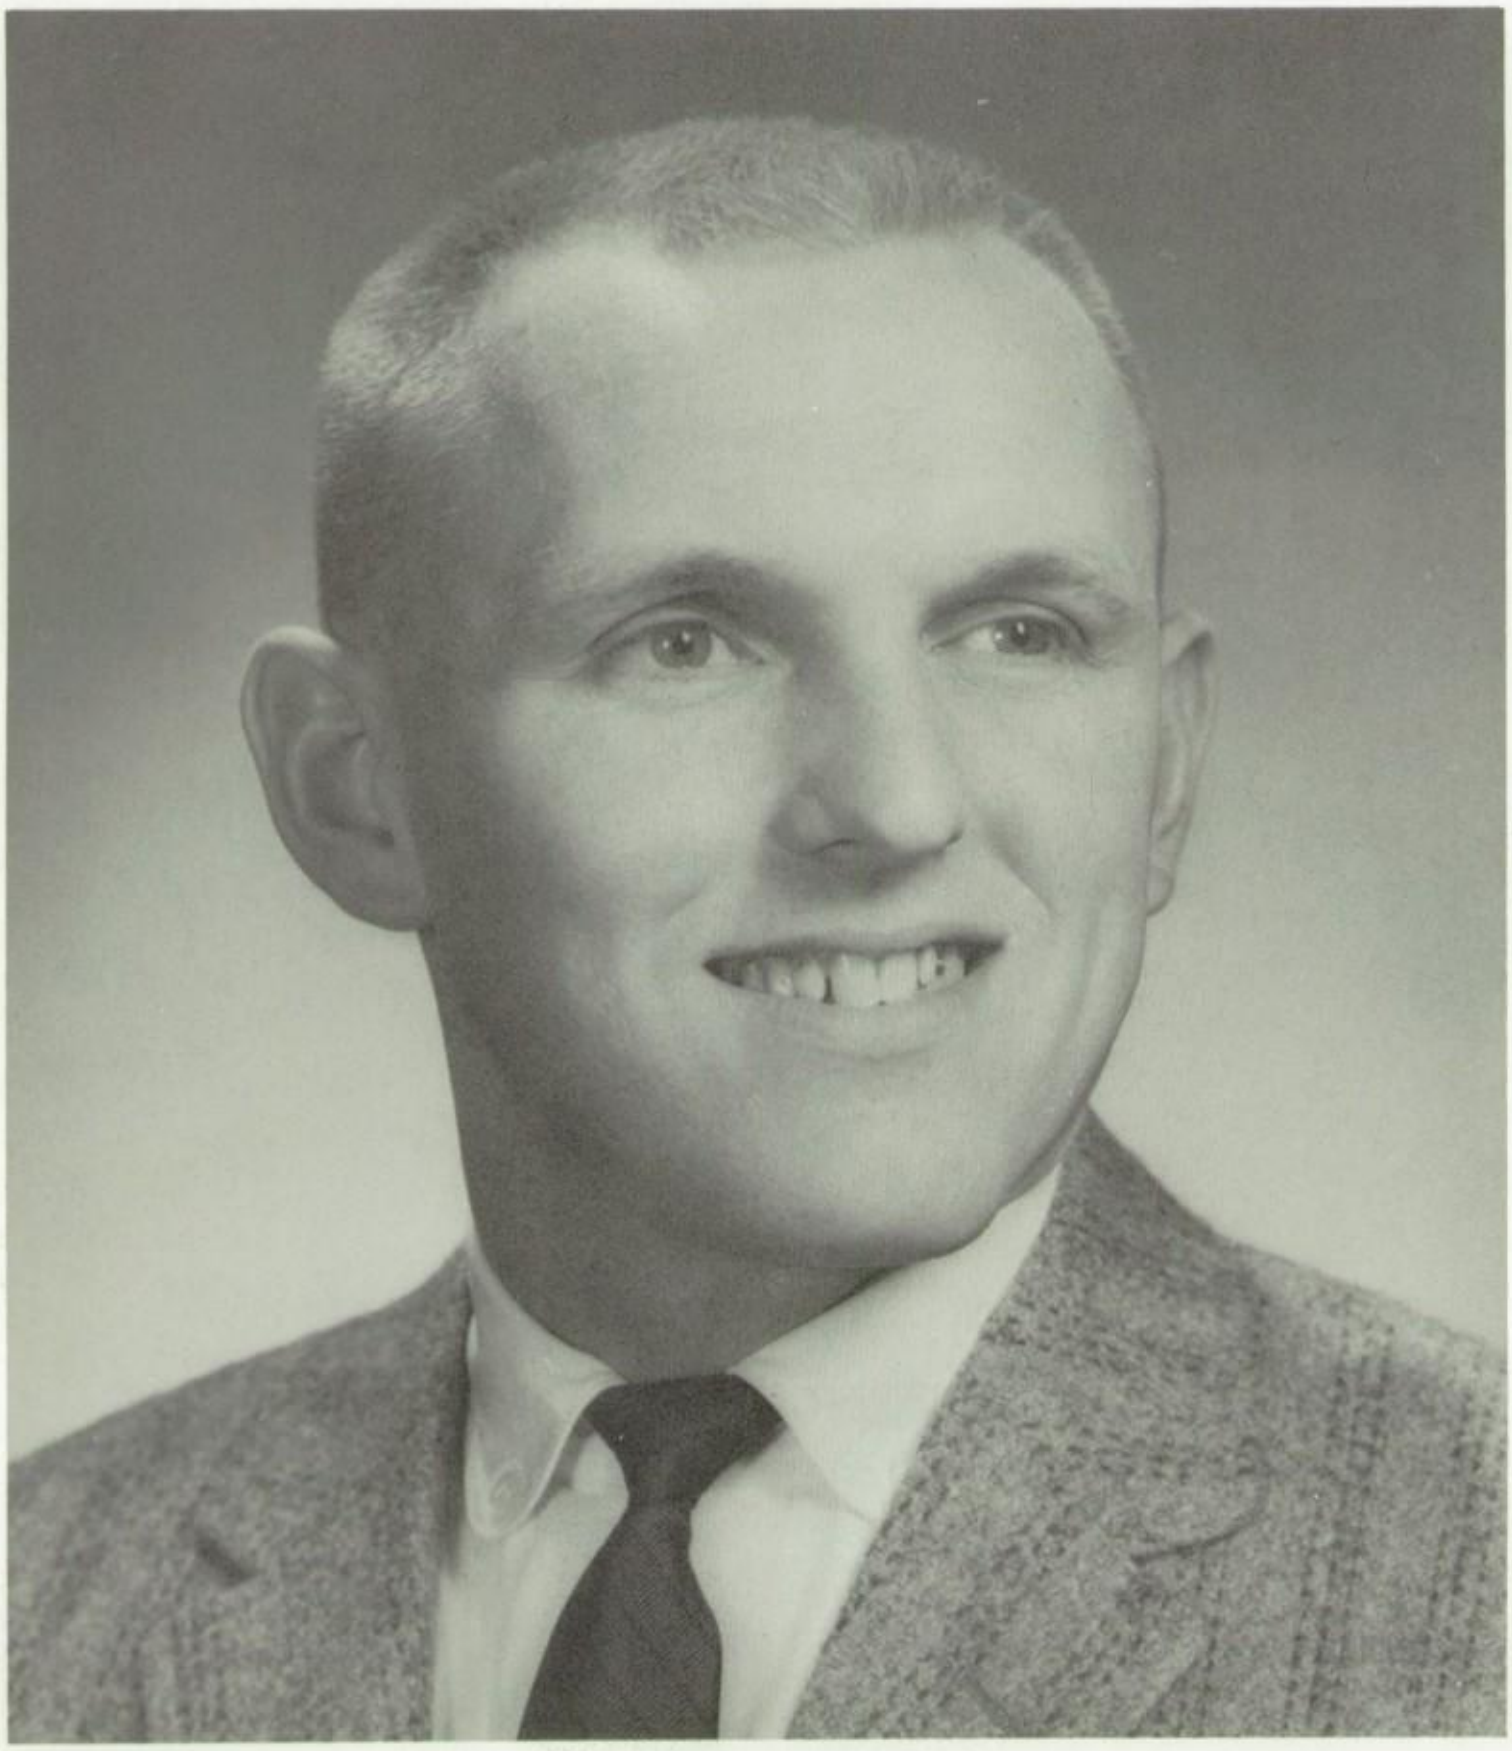
DEDICATION



GARY W. KEHLER

Although he has been a member of the faculty for only five years, Mr. Gary Kehler has already endeared himself to the students of Westfield High School. His enthusiasm for life is expressed through his enjoyment and pride in both his work and his students, and this same enthusiasm automatically becomes part of everyone he works with, as the great success of his various athletic teams demonstrates.

Mr. Kehler first came to Westfield in the spring of 1957 as a practice teacher for Mr. Duncan. The following fall, upon graduation from Rutgers University with a B.A. degree, Coach Kehler returned as a member of the Boys' Physical Education Staff. Recently, he went on to secure his M.A. degree at his alma mater.

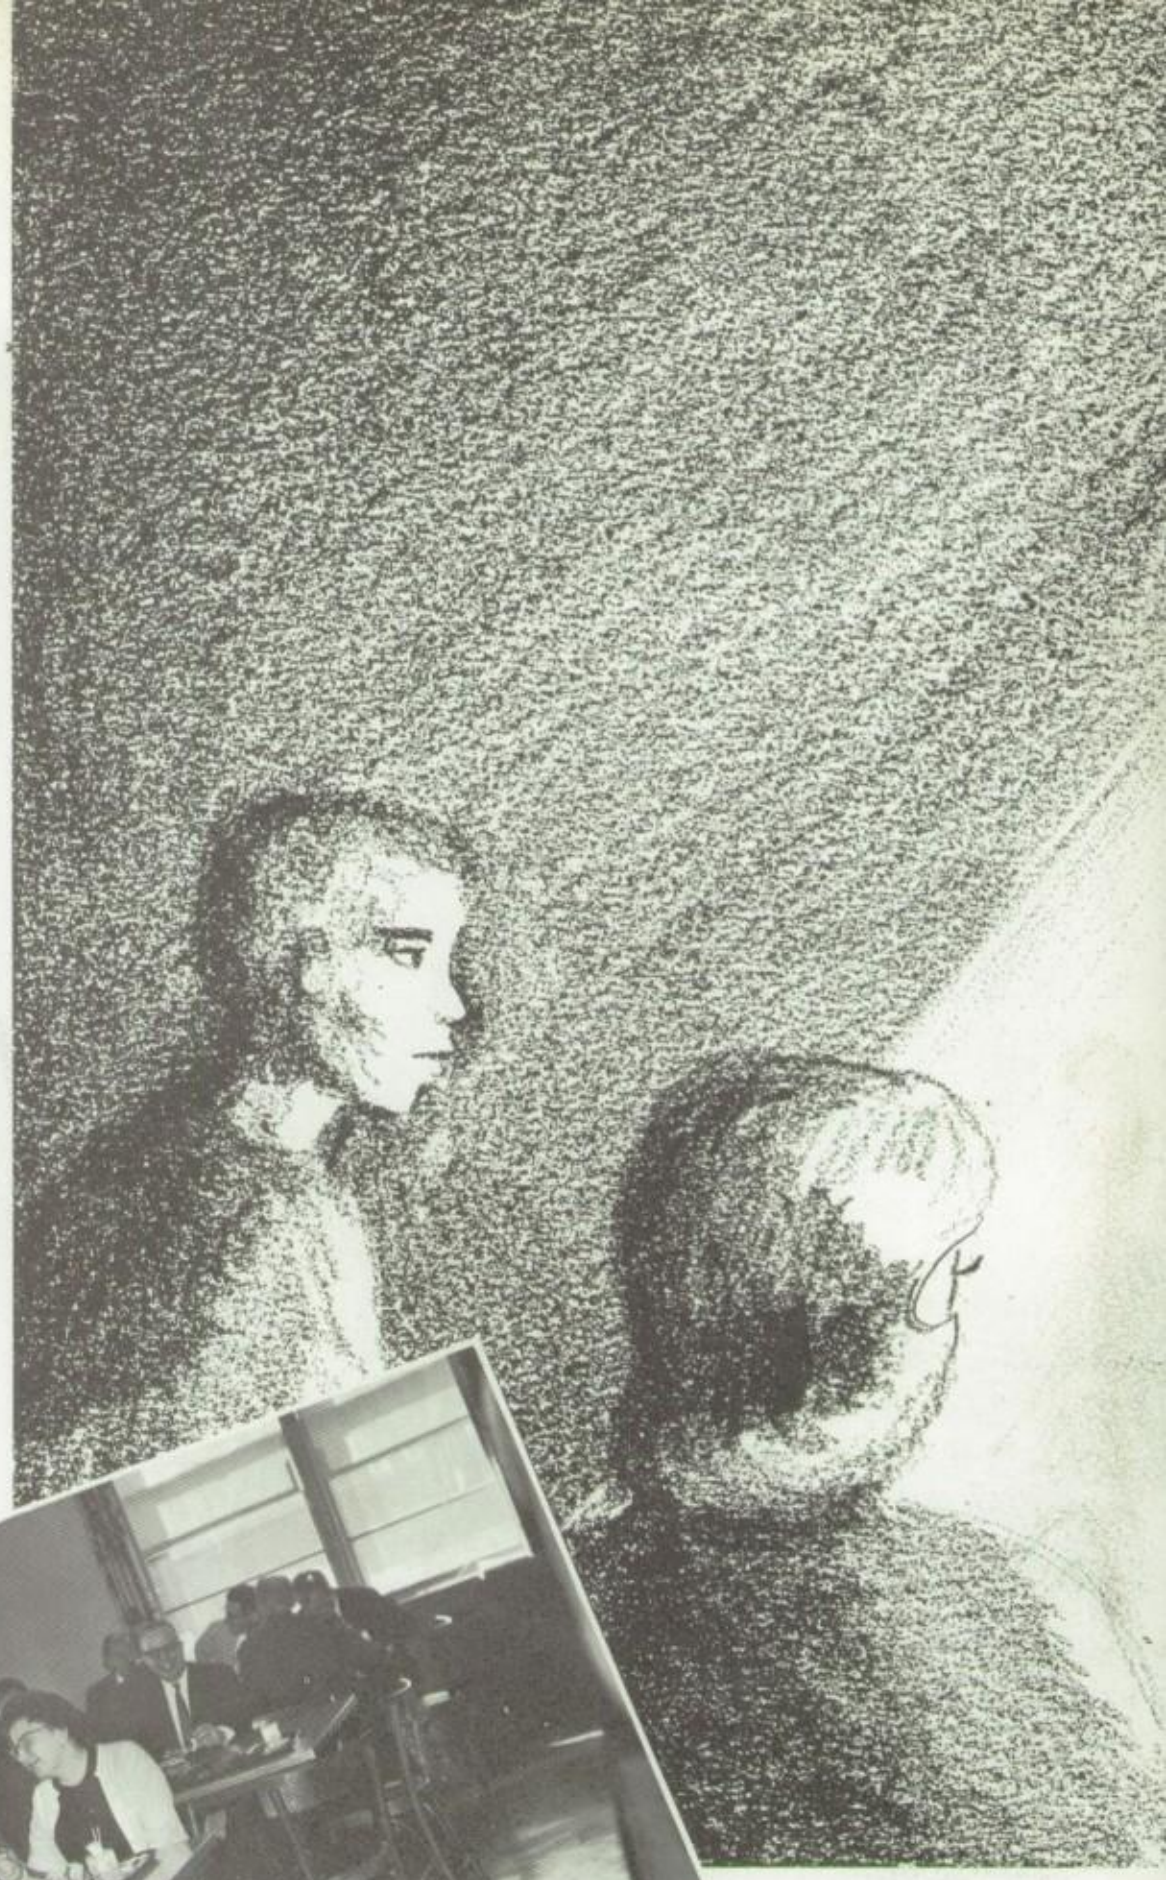
A warm smile, a good sense of humor, and a little green hat are characteristic of Mr. Kehler, as are his dedication to and genuine affection for his students. He is an outstanding man as well as an outstanding leader.

Mr. Duncan said, "As the football team goes, so goes the school." Mr. Kehler gave the Class of 1962 a senior year not to be forgotten by making possible for us to experience an undefeated football season. Through just enough encouragement, constructive criticism, and understanding, Mr. Kehler instilled a great team spirit in his boys, and they in turn conveyed this spirit to the entire student body. Our class motto, "Stronger Because United" became a fact.

As proud as Mr. Kehler is of his students, the Class of 1962 is even prouder of him. For all he has given us through our high school years, we give him this **Weather Vane,** symbolic of our gratitude.

ADMINISTRATION

FACULTY



The best way of training the young is to train yourself at the same time; not to admonish them, but to be seen always doing that of which you would admonish them.

Plato

Dr. Foose calls the monthly faculty meeting to order in Cafeteria A.

ADMINISTRATION . . .

S.N. EWAN, JR.
Ph. D.
Superintendent of Schools

The process of continual growth in which the Westfield High School student becomes involved, is in many ways aimed and guided by the work of a few persons who have chosen this as their own means of growth. The administration of our institution performs an operation which, under the guise of routine, is an ever developing, ever new experience in the direction of the student. As the demands for new facilities and new approaches are imposed on the secondary level of education, the administration anticipates and meets them.

The evolution of student to scholar is given its first impetus by the energies lavished upon the neophyte by the educator. The life of scholarship becomes a desirable and attainable end under the guidance of the competent instructor. At Westfield such a goal is presented to the students as a living image, in the form of their faculty.

"Go ahead and kick him!" Mr. Scott assists Kip Kindregan in the school library.

"Four eyes are better than two." Mr. Jones prepares some cultures for his biology classes.

"There's a tree against that left fender." Mr. D'Andrea helps a learning driver.

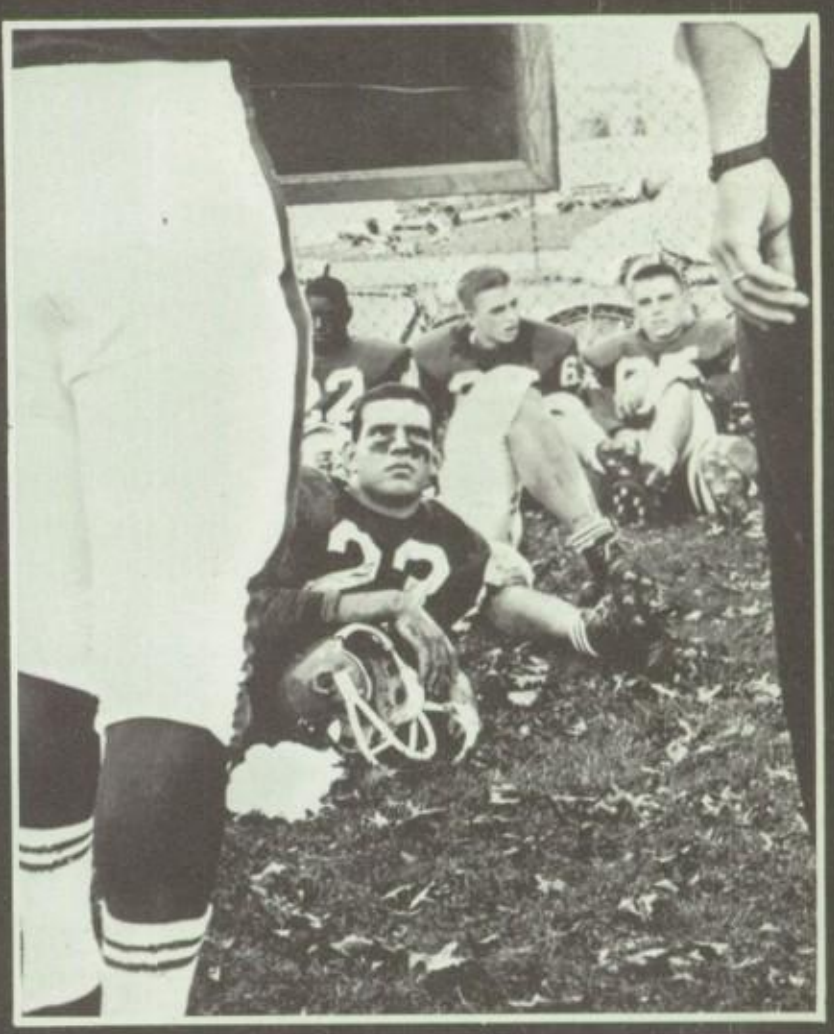
LET'S GO WESTFIELD . . .
Westfield 13
Plainfield 7

ON TO V-I-C-T-O-R-Y!

"They should have done the school too!" Jim Kovacs and Greg Weiss light the pep rally bonfire.

"The devil take that bird!" Westfield's Blue Devil (Phil Newbert), the cheerleaders, and the twirlers lead cheers against Plainfield's Cardinal.

"Nothing phases him!" One of the players catches a quick nap before the game.



"Lying down on the job!" Players receive half-time instructions from Coach Kehler.

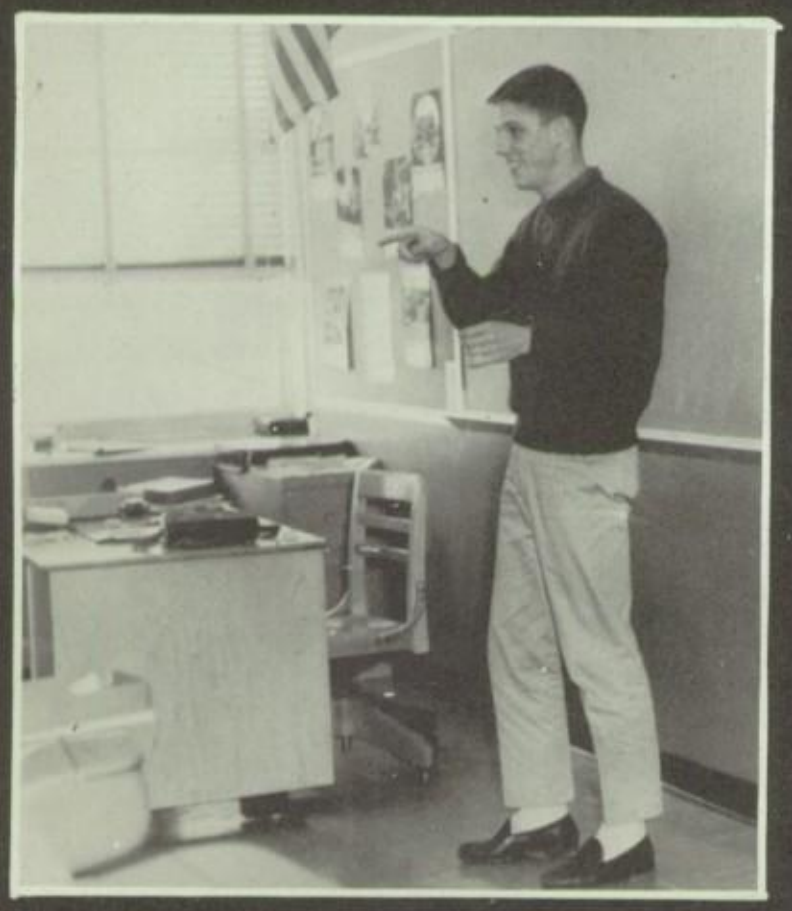
"At least they spelled it right!" Students cheer Westfield on.

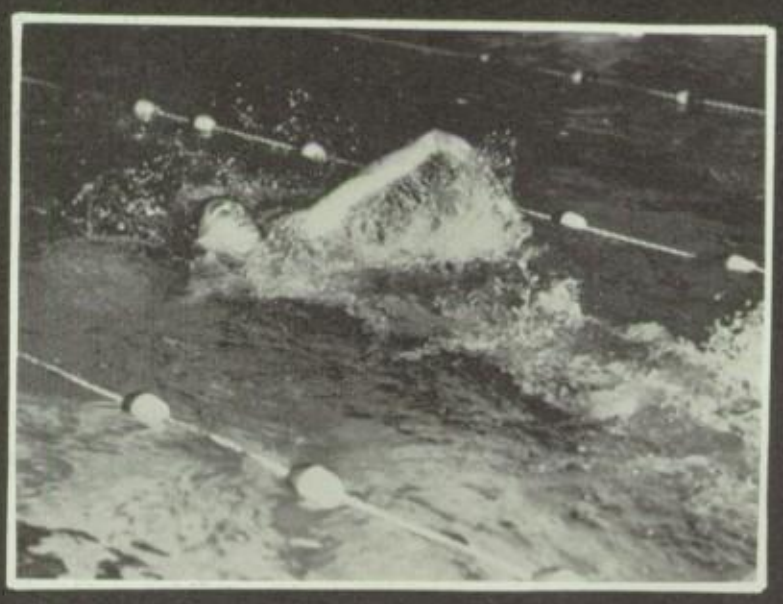
"Hit the dirt!" Ted Connell and Mike Ketcham give their all at Seton Hall swimming meet.

"It's Howdy Doody time!" Sindy Foose cuts capers for the camera.

"Come in, Jupiter!" Mr. Dello Russo works in the auto shop.

"Now in Memphis, we do it this way." Bill Moyse pantomimes in front of class prior to Christmas recess.

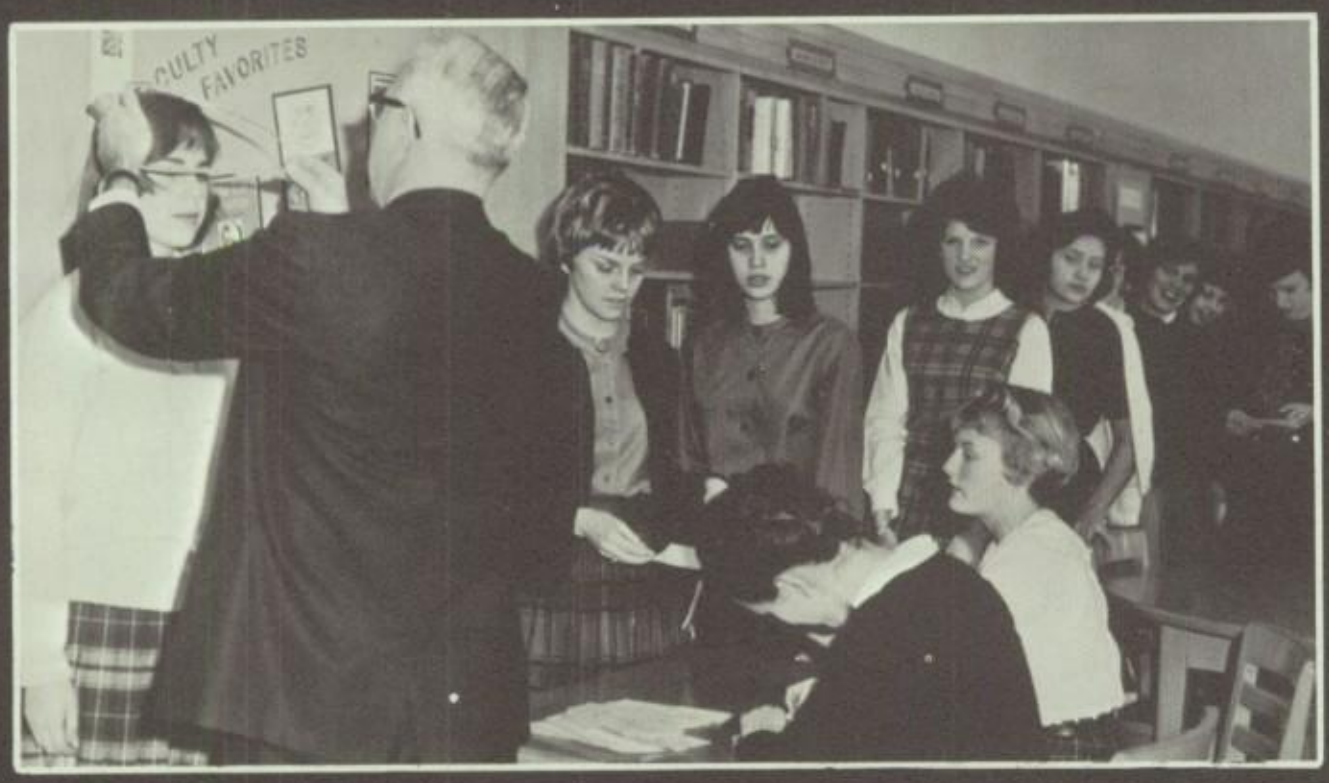




"Now for a pirouette!" Kurt Kaufmann displays his winning backstroke.

"Now, as I see it . . . " Debbie Haslam is caught in a characteristic pose.

"I said that's the foul line!" Mr. Lay joins in pre-game discussion with official.



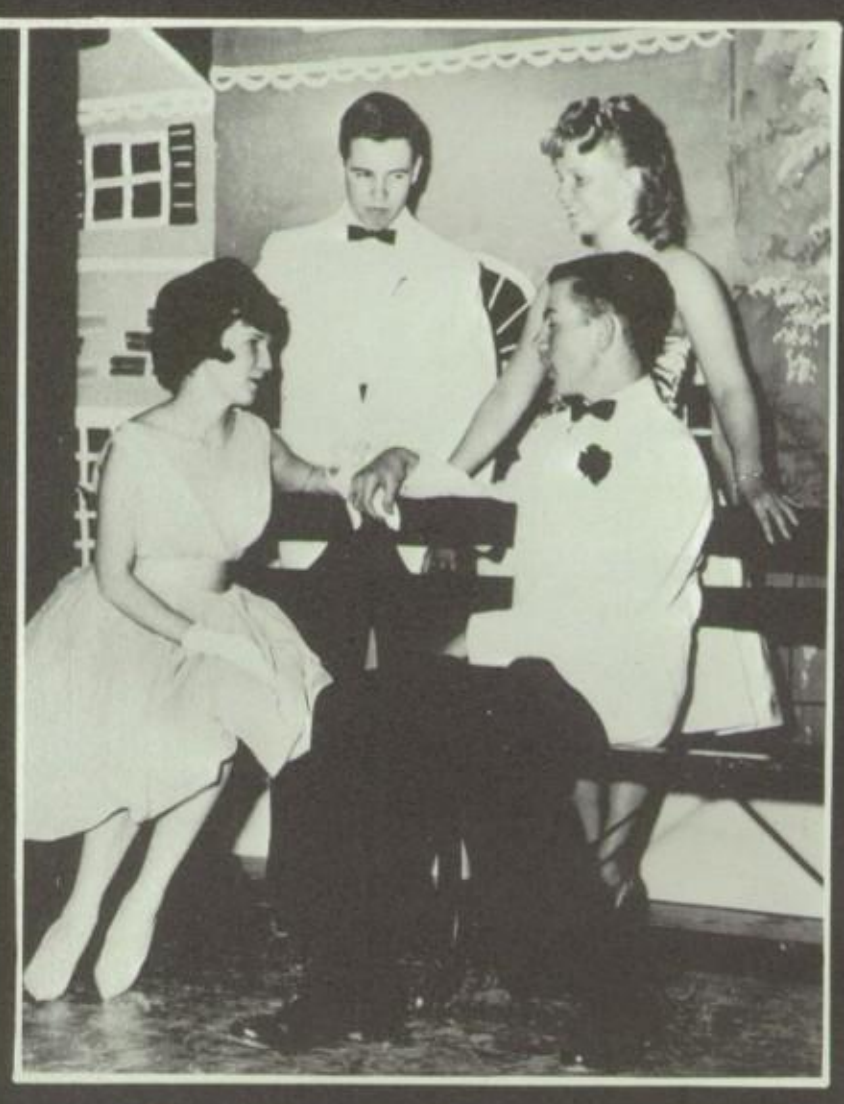
"That crowning touch!" Seniors are measured for caps and gowns in the library.

"I never was too good at finger painting!" Students paint scenery for the Midwinter Ball.

A roll of crepe paper transformed a gym into a festive ballroom; a pair of sneakers was put aside for satin slippers; a sweat shirt was replaced by a white dinner jacket; these were the miracles of the Junior Prom, a night which marked the fulfillment of our dreams. It was the efforts of the class committees, chaired by Barbara Shea, and the resourceful leadership of Mrs. Kathleen Stephens and Mrs. Betty Schenck which gave the dream substance. Once the prom was over, the dream became a memory — one which will be forever cherished.

EARLY 1900's

Barbara Shea, prom chairman, and Gary Hamarah, escort, enjoy the gala occasion.



Barb Ullrich and Sharon Way look on, while Art Garvin, Senior Class President, thanks Bill Tittle, Junior Class President, for the prom, given by the Class of 1962 in honor of the Class of 1961.

CAMELOT

It was 9:00 on the evening of May 4 and the secret was out. After crossing the drawbridge and entering a medieval castle, everyone realized for the first time that the theme of the 1962 Junior Prom was Camelot. Each couple was royally received by Nancy Hely, general chairman, and by the other members of the receiving line. Dancing to music provided by Mort Brody and his orchestra, and dining in "The Round Table" where food was served by Medieval pages were the activities that culminated months of hard work in an evening enjoyed by all.

Pat Hand and Ken Powers are welcomed to "Camelot" by heralds D. Davies and D. Eakeley.

"We'll have two 'Knechtars of the Knights' and one Pepto-Bismol, please!"

"And please don't forget the tip!" Jim Smith acts as page for the festive evening.

"I wonder if Sir Lancelot could twist?"

"If ever I would leave you . . ."

CARNIVALE INTERNATIONALE . . .

"At least I don't chew gum in class!"
Latin epicureans practice their philosophy.

"What's up, Doc?"
Bill Moyse emcees the show during the evening.

"Winnie Ille Pooh!"
Students and teacher revel in "Westfield's Roma."

"Va-va-va-voom!"
French students perform the can can.

On Friday evening, February 16, the "Carnivale Internationale" was held in the WHS gym. The success of the evening was due to the combined efforts of the French, German, Latin, and Spanish Clubs, under the direction of their advisers, Mrs. Young, Mrs. Brown, Mr. Bonesteele, Miss Vicedomini, Mr. Kurtz, Mr. LaCosta, Mrs. Disbrow, and Mrs. Winquist. The highlights of the evening were the crowning of the king and queen, Kathy Quad and Mark Taylor, and the presentation of the group award to the Latin Club for their fine display of musical talent.

"No, it's not quite like the Mexican Hat Dance."
Marg Wilde teaches Miss Vicedomini the latest teen-age fad — the TWIST.

"Ouch!"
German students demonstrate the "Schuhplattler."

CHRISTMAS TABLEAU

"And the glory of the Lord shall be revealed, for the mouth of the Lord hath spoken it."

The traditional tableau once again inspired overflowing audiences at Christmas time. The art, music and drama departments cooperated to achieve miraculous perfection. The narrator, Richard Allen, read the Christmas story, which was supplemented by the music of the choir and the colorful, realistic pageantry presented by the Mask and Mimers. Peter Culver's singing of the benediction "Peace I Leave With You" was another final touch of solemnity in a most impressive pageant.

"For unto us a child is born, unto us a son is given."

"Hallelujah, for the Lord God omnipotent reigneth."

M & M FALL PRODUCTION

"Praise well deserved."

"Does he want to grow up a bum — end on skid row . . ."

On November 3 and 4 at 8:30 P.M., the curtain rose on the Mask & Mime Club Play, Mrs. McThing. The three act fantasy takes place in Larue Towers and the Shantyland Pool Hall. While trying to shelter her son, Mrs. Larue, a wealthy widow, insults Mimi, Mrs. McThing's child. Mrs. McThing, a witch, takes her revenge by sending Mrs. Larue and her son Howie out to work with gangsters and putting sticks in their home. Through this experience, Mrs. Larue learns to understand people. In the end, Mimi helps Howie and his mother to return home by destroying the sticks. By doing this, she defies the witch and wins the love of Mrs. Larue.

"I'm a dear little white rose."

"My mother calls me her little apple dumpling."

"I'm not gonna just sit here sayin' I'm gonna cry — I'm gonna cry. Booo hoo."

Yes! This is the card file." Miss Scott assists a student in the library.

"Ouch! My finger!" Jackson Heilman assists in the preparation of toys for the needy at Christmas.

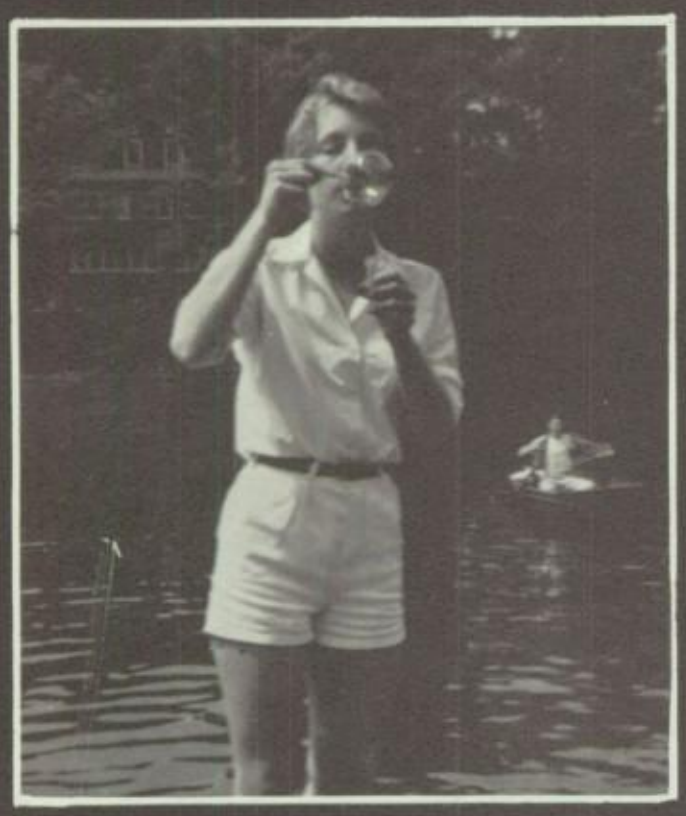
"Mission accomplished — $4. apiece!"
Seniors embark on first project for the class.

"Tell me about the birds and the bees." Pat McDaniel, Carol Hodges, John Carlson, and Geoffrey West, pose for this country picture.

"Which way to the laundromat?" Blue Devils return to the huddle.

"Oh! yes, we expect to finish Dostoyevsky's Crime and Punishment in a day or so." Mr. Brown instructs students in developmental reading.

"I told you at the beginning of this course, NO ERASERS!" Miss Mosciano aids a student during a typing class.



"I'm forever blowing bubbles." Ginny Tice strikes a serious pose.

"In case of fire, throw these in first!" Mrs. Barber puts marks on report cards.

"Those brave senior boys!" Janie Wiendl, Phil Newbert, and Steve Wright clown around while they clean rat's habitat.

"Oh, for a pogo stick!" Tom Meyer, our award winning cyclist, is ready for the next contest.

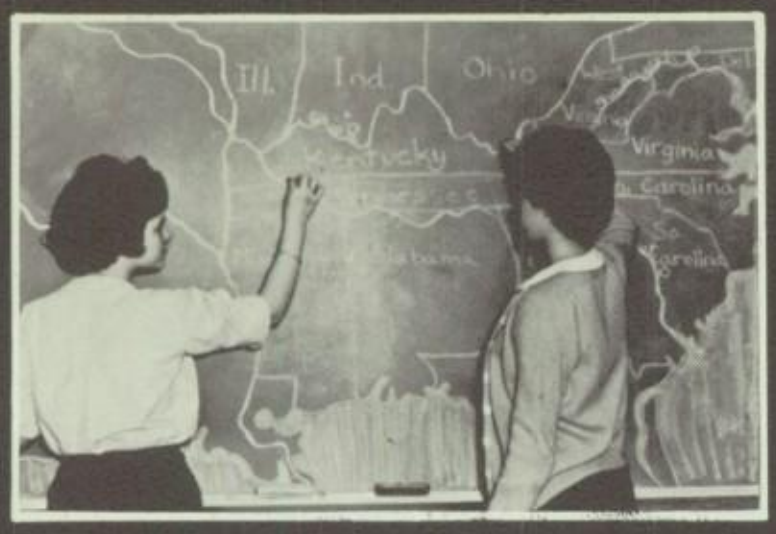
"Who is this Alfred E. Newman character?" Mr. Lewis checks the validity of an S.A.T.

"I caught a fish that B-I-G . . . " Judy Hitchcox leads the JV's in a practice session.

"Who bribed the officials?" We wish the scoreboard looked like this all the time.

"What happens next?" Students observe experiment in chemistry lab.

"Now the little green men charge the little red men." Mrs. Carter holds a "skull session" on the techniques of field hockey.



"What some people won't do for brownie points!" Jane McAll and Chris Allen prepare their English project.

"Neither rain nor snow . . . " Nothing, not even the elements, stops senior bridge players.

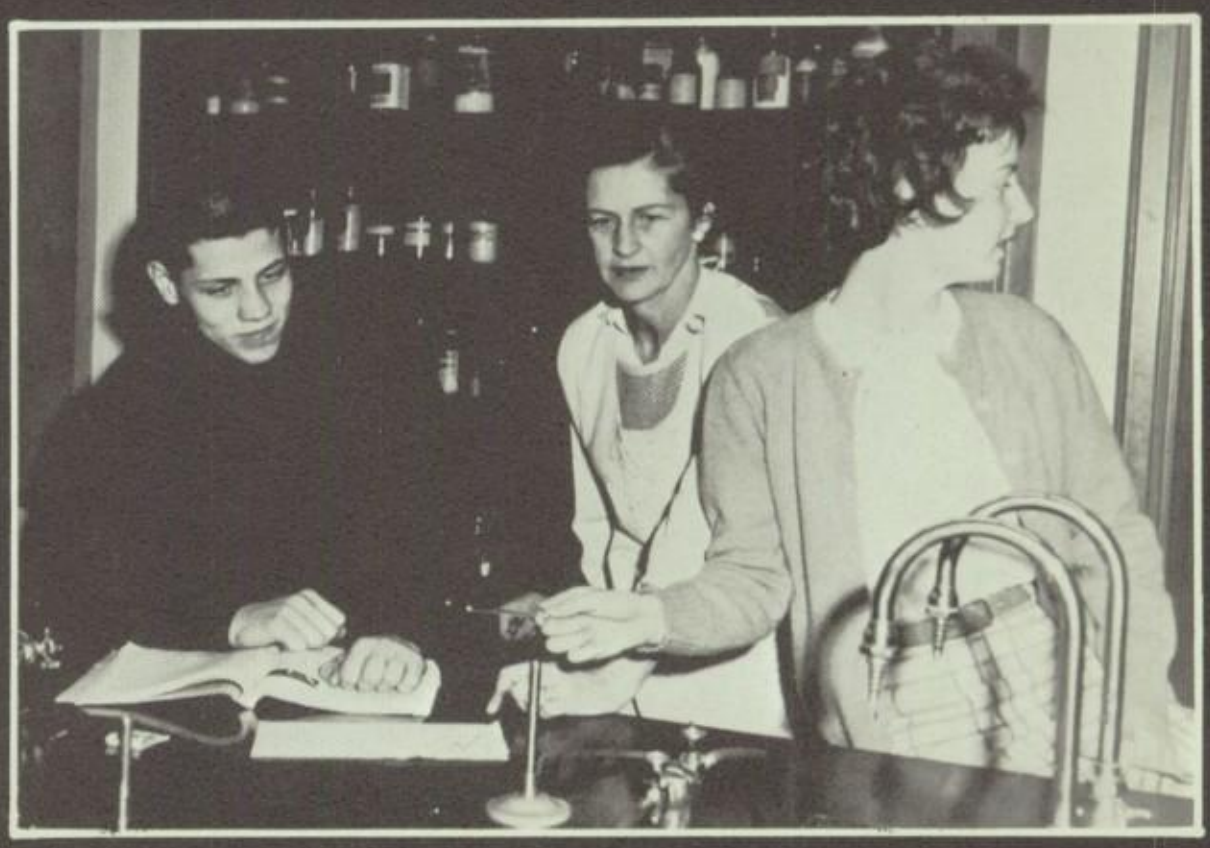
"O.K., so where do I collect my twenty-five cents?" Neale de Planque talks to Hi's Eye Editor Jean Flanagan.

"My new record's infinity!" Teel Hand begins a new round of hula hooping.

"Tune in next week." Miss Deigan types up the latest official bulletins.

"Troika" Mr. Loughridge, Mr. Shill, and Mr. Lazarro, U.S. II teachers, hold a "round table" discussion on disarmament.

"What would detention do without him?" Gregarious Greg Weiss giggles at "goof."



"You're right, my finger is getting hot!" Mrs. Peterson looks on as student does experiment in after-school lab period.

COLONIAL TOWNE OF WEST FIELDS . . .

"Did anybody ever hear of lima bean pie?" Diane Stevens takes a breath before starting her pie.

"Who needs forks?" The pie eating contest attracted many hungry seniors.

"Out! I said — OUT!" Gary Hamarah shows his extraordinary ability as our master of ceremonies.

"We make our own bridges!" Seniors enter picnic grounds across Tamaques Park bridge.

"We wait for our food in Russia." Seniors display grim determination in a tug-of-war.

"Where's that contact lens?" Two seniors participate in one of the many picnic games.

MEMORIES . . .

"Daisy! Daisy!" Bob Wilcox rides his favorite means of transportation.

"After all this dancing, it's got to rain." Modern dance group practices.

"Maris and Mantle" Rona Buchbinder and Anna Lee Gruber are shown at bat.

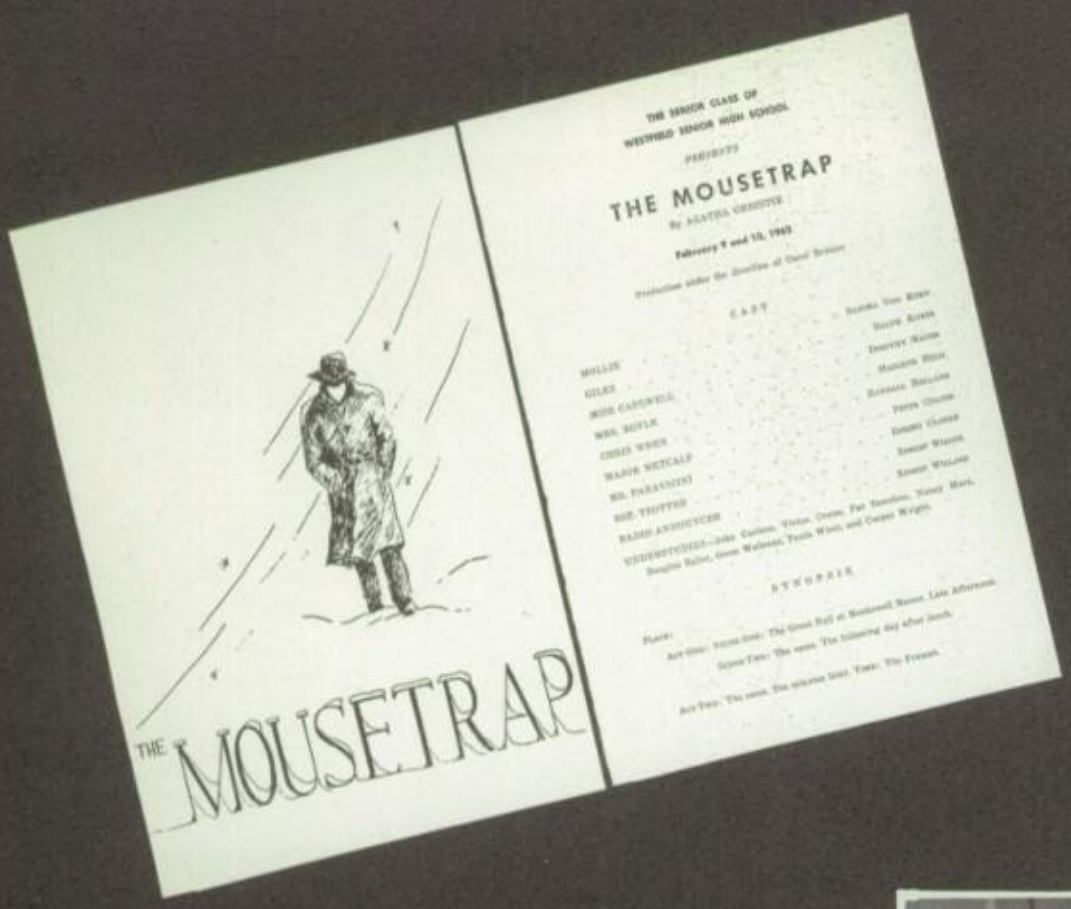
"Ah, Mr. Dillion!" Seniors donned Dodge City costumes.

"The morning after the night before." Here is the second senior project of the year.

"Don't worry, he'll call!" Marilyn Manthey frets over a bridge hand.

"Oh he was a pushover!" Ann Enders poses on the bridge.

SENIOR PLAY . . .



A mystery was finally brought to the WHS stage on the evenings of February 9 and 10, when the class of '62 presented The Mouse Trap by Agatha Christie. The house dimmed and the play began with the piercing scream of a woman. The plot centered around the search for a London woman's murderer. The audience was kept in suspense until the very last minute.

The Senior Play proved to be a success financially and spiritually, and the money earned helped pay for the yearbook, the Senior Banquet, and the class gift.

"Oh, I like murder!"

"You may believe it or not, but that young man is a policeman."

"You see, because the murderer has three mice on this page, I am inclined to believe the remaining murders will be committed in this house."

"Three blind mice, such a catchy tune, someone was whistling it just a few minutes ago."

"Sit down, I want to talk with you."

All good things must come to an end, or curtain call, so to speak.

"Posture plus!" Wendy Guthrie contemplates another day's work.

"Ready and waiting, and waiting, and waiting . . . " Jean Shellenberger is anxiously waiting for the ninth grade prom.

"In my opinion, Mr. Murrow . . . " Rich Allen, class president, practices electioneering at a tender age.

"Anny-up!" Pat McDaniel, Jeff West, John Carlson, and Carol Hodges spend their weekly allowance.

"Tough as a wart!" Bill Bryant flexes.

"Darn that Ralph!" Jeanne Gaudette ate too much watermelon.

"Heh! Whad ya mean there's a camera in front of me?" Suzy Stanley participates in an active camp life.

"Tis the season to be J-O-L-L-L . . . " Sue Van Duzer is filled with the Christmas spirit.

"Daniel, blow your horn!" Dan Hanke plays at a football game.

"What? Me brainwashed?" Barb Wolff goes into hysterics.

"Forerunner of the Twist." Jennifer Mistretta hula-hoops at the ninth grade picnic.

"Here comes that famous sneeze!" Carol Robbins, Dottie Hoff, and Gratia Reynolds gossip at a slumber party.

"Saturday night bath" Girls form a wash line at camp.

"Our hearts were young and gay" Present seniors attend a typical junior high party.

"Which way did they go?" Sindy Foose relaxes at the shore.

"That perpetual bow tie!" Dr. Foose watches a football game.

JUNIORS . . . Progressing to a certain degree

Junior Council FIRST: Merrill Stevenson, Karen Hekeler, Frank Mitchell, Mrs. Stephens, William Lough, Martha Johansen, **SECOND:** Gail German, Vicki Casamo, Carol Ann Mulreany, Jane Tucker, Laurie Smith, Elenor Reid, **THIRD:** Robert Worthing, Kenneth Powers, Thomas Bonow, George Hess, Joseph Kindregan, Preston Hadley.

Junior Class Officers — Merrill Stevenson, **Secretary;** Karen Hekeler, **Vice President;** Frank Mitchell, **President;** Mrs. K. Stephens, **Adviser;** William Lough, **Treasurer;** Martha Johansen, **Assistant Treasurer.**

For the class of '63 this year has been a fun-filled experience. By far its most extensive project was the Junior Promenade which was given in honor of the class of '62 on the evening of May 4. Since November, when the theme "Camelot" was chosen, the class officers and council members, in addition to the various committees, worked to produce the prom which took place in Westfield High School's gymnasium.

Toward the end of the academic year, the juniors elected officers for their last year at WHS. At their final class meeting each candidate was presented with a problem which he might meet during his term of office. His answer to this problem took the place of a campaign speech. With experience behind them, and their senior year ahead of them, the class of '63 is looking forward to the challenge of leading our school in the coming year.

Sophomore Class Officers: James Smith, **Vice President;** Nancy Wistar, **Secretary;** Steve Atwood, **President;** Miss Mary E. Learish, **Adviser;** Craig Eaton, **Treasurer;** Joy Carrigan, **Assistant Treasurer.**

Our new members of Westfield High School were greeted by Dr. Foose at the Sophomore Orientation Assembly in September. After this, they assembled, nominated, and elected their class officers; also, they wrote a constitution which will serve them throughout their years in WHS.

On February 16 the sophomores presented their "Sophomore Variety Show" for the entire school. They learned about the American Field Service program in March through an assembly at which Sharon Savage and Barbara Wolff, our exchange students, spoke. As the year drew to a close, the sophomores nominated and elected officers for their junior year. Having had a busy and successful sophomore year, the class of '64 looks forward to an even better one in '63.

Advanced Knitting Club

Once a girl has learned the basic skills of knitting, she wants to tackle intricate designs and difficult patterns. In the Advanced Knitting Club, girls knit more or less on their own, with Miss Marjorie Rugen helping them with problems that arise. The girls' projects are not only attractive, but practical as well.

Beginners' Knitting Club

Inherent in the character of every girl are certain domestic qualities which today have become buried under the busy modern schedule. In the Beginners' Knitting Club, girls are provided with the opportunity to develop skills of knitting and work on such projects as mittens, scarves, and simple sweaters. Mrs. Florence Swink, their adviser, answers questions and solves students' problems, helping the girls to become skillful knitters.

Auto Club for Girls

Never let it be said that a girl can't change a tire. The members of the Auto Club for Girls can do this and much more. They are adept at lubricating, minor repairs and adjustments, and servicing the cooling and brake systems. During the year they have worked on automotive units such as the fuel pump, carburetors, and other accessories. Lectures and demonstrations have been supplemented by modern automotive films. Instructed by Mr. Robert Della Russo, the girls learn much about the operation of automobiles.

Bakers' Club

The members of the Bakers' Club, sponsored by Mrs. Joan Testa, learn to cook a few popular dishes well. Limited to twenty-four junior and senior girls who have had some cooking experience (although any boys who can pass the qualifying test may be admitted), the club prepares and eats its creations during the club periods.

Bridge Clubs

The two bridge clubs are divided on the basis of proficiency in the game. Having learned the basic skills, the beginners practice during the club period. They have learned to become better bridge players through experience and the guidance of their adviser, Mrs. Sherie Schmauder. The climax of their practice club was a club tournament with the prize a party for the winners.

The Advanced Bridge Club concentrates on improvement through playing experience and the learning of advanced techniques. Mrs. Geneieve Hill advises this club, which meets during regular club periods.

Ceramics Club

Although relatively new, the Ceramics Club is fast becoming one of the most popular organizations in our school. The purposes of the club are to introduce newcomers to the art of ceramics and to provide an avocational interest for some students. During the club period each month, after a short business meeting, the members work on various ceramics of their choice. According to Mr. John Thompson, adviser, the students are given a feeling of achievement and personal satisfaction when they complete a project.

Chess Club

The Chess Club provides an opportunity to learn to play and enjoy this classical and thought-provoking game. It also develops the skill of more experienced players. The members play during club periods, at home meetings, and after school in room 110 under the guidance of Mr. Milton Barnes. To aid the group in furthering its knowledge, speakers are invited to discuss and demonstrate chess plays.

Stamp Club

Opportunity knocks for members of the Stamp Collectors' Club. Not only have they membership in a high school club, but also in an organization which has a foothold on the future. This student-formed club offers great opportunities for increasing the development of a hobby which will be pursued through the years. Mr. Robert Duncan acts in the capacity of adviser to this group.

UMANITIES . . .

Sleep not, dream not; this bright day will not, cannot last for aye . . . — Emily Bronte

Art Club

The Art Club, limited to forty members because of the large number of students joining and the limited capacities, is under the guidance of Mrs. Clara Grandcolas. Created mainly to stimulate interest in art, the club's program usually consists of a few speakers, painting demonstrations, and a trip at the end of the year.

Writers' Club

This small club consists of a group convinced that the pen is mightier than the sword. Almost anything — the mysteries of space, the problem of existence, psychological turmoil, or sudden beauty — provides subject matter for stories, essays and poems that members read and criticize at the meetings held regularly in private homes.

This club had the good fortune to obtain as adviser Miss Rosalind Tupper, a new addition to our English department. The members of the organization have selected Jay Gross and Nick Warburton to serve as co-editors-in-chief for our school magazine, which is published only once annually.

Forum Club

The Forum Club is composed of students who have an interest in current events and a desire to learn more about current situations. This club provides ample opportunity for debate for those who find it stimulating. The objects of the club are to develop greater thinking about present day events and to learn to speak logically in defense of our own views in public.

Mr. Anthony Lazarro is the adviser, and the president is Jay Umbright.

Mask and Mime Club

After a number of years, the Mask and Mime Club remains the largest organization in school. The club's program is geared to sustain an interest in dramatics, and to develop further understanding and appreciation of this art form. To accomplish this, the meetings include demonstrations, discussions, and movies on all phases of dramatics including acting, pantomime, direction, costuming, make-up, lighting, set design, and the technical and business aspects of play production. In all these areas the necessity for teamwork is constantly slanted towards the ultimate end — a polished performance.

During the year, the Mask and Mime, under the patient and experienced guidance of Miss Carol Brinser, presented as its fall production Mary Chase's hit comedy, **Mrs. Mc Thing.** They also entered the One Act Play Festival for the Plainfield area schools, and were again instrumental in the production of the traditional Christmas Tableau. Miss Brinser is assisted by Miss Ronne Toker of the speech department.

Sophomore Literary Club

The Sophomore Literary Club was started this year to supplement the reading of interested sophomores. The members read a book each month which is discussed at the monthly meetings. It is hoped that this club will have more members to carry on its worthwhile work. It is capably advised by Miss Evelyn Yurcisin.

Junior Literary Club

The Junior Literary Club wishes to complement its English III course by concentrating on the discussion of American literature. This club is doing a valuable job in increasing the members' appreciation of good literature and their ability to criticize and analyze books that are read during the year.

Guest speakers from nearby colleges have spoken during the year on "The Concept of Existentialism" and "The Literature of the Civil War." Miss Lucille Guccione is the club's adviser.

Senior Literary Club

The Senior Literary Club, in connection with English IV, reads and discusses world literature at its monthly meetings. Each month a different book is selected for study and analysis at the Thursday night meeting; often a panel is selected to lead the discussion. Among the areas of literature which have been studied are Irish, American, Spanish, and Russian works. Miss Mary Learish, senior English teacher, is the club's director.

Le Quartier Latin

"Le Quartier Latin" gives students an enjoyable way of using their classroom French and teaches them the customs of "la belle France." This organization is one of the oldest and most active in school.

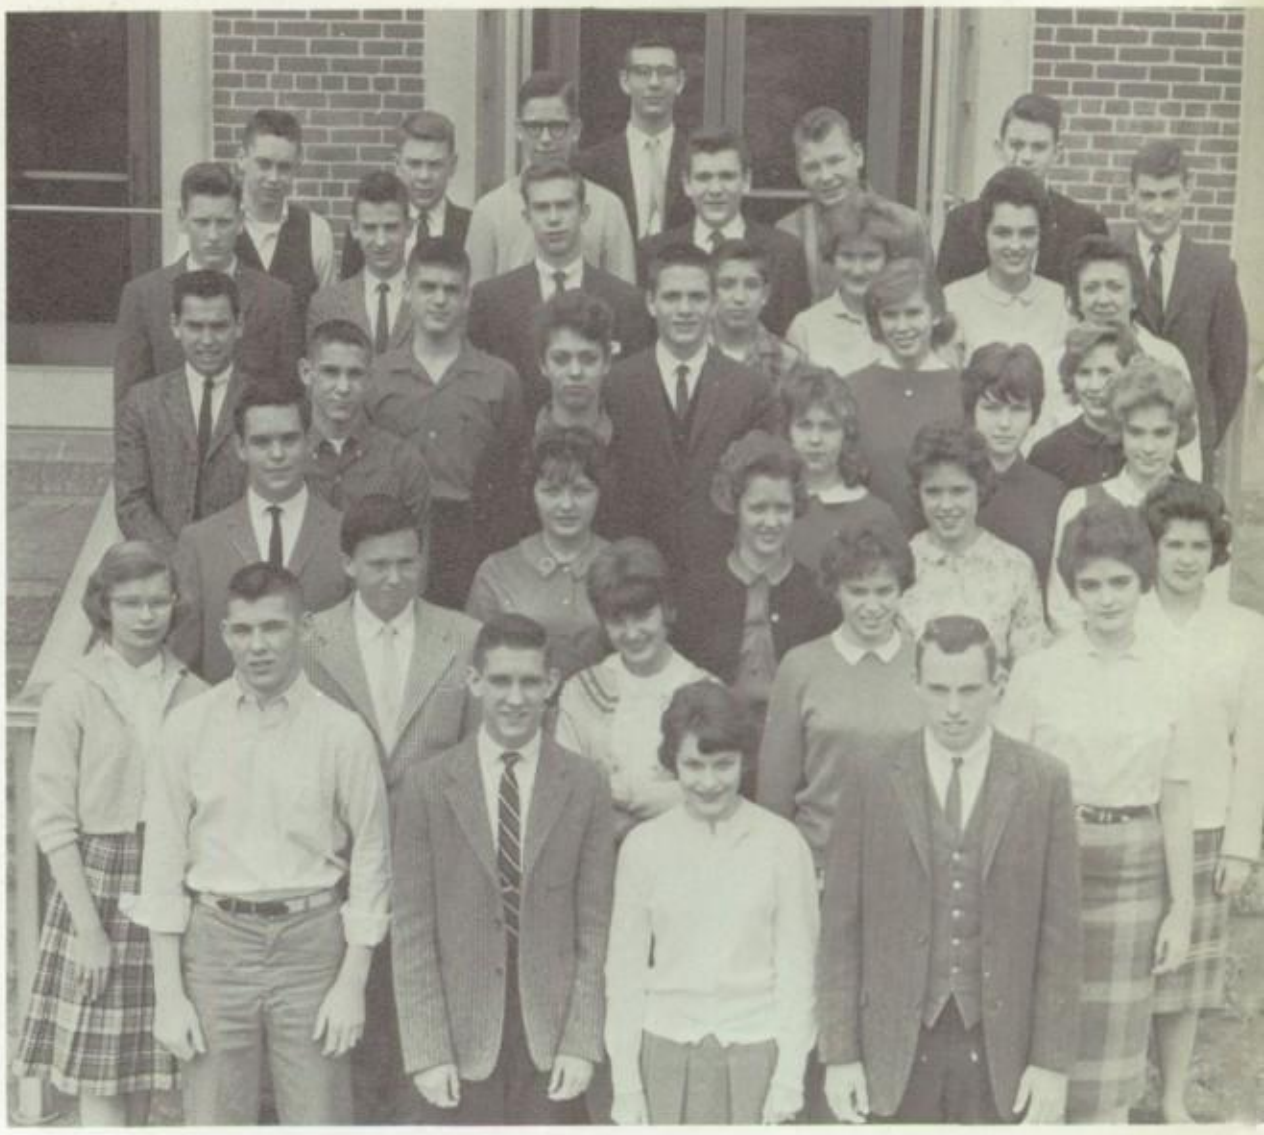
The monthly meetings are held in Cafeteria "A," with games, songs, and plays of France holding the spotlight. Occasional speakers have addressed the members during recent meetings.

This year's club, under the capable advisership of Mrs. Eleanor Young, Mr. Richard Bonesteel, and Mrs. Miriam Brown, has had many educational as well as entertaining meetings.

El Ateneo

The members of the Spanish Club try to improve their knowledge of Spain and its customs through games, songs, slides, and speakers. The club publishes its own newspaper, (which is called "El Charlatan"), four times a year; it carries club news and stories of Latin America. The highlights of the year included the Christmas party with the breaking of the "Piñata," a trip to New York in April, and the International Carnival, at which the club re-created a bull fight along with a Spanish dance and song.

German Club



The German Club, under the guidance of Mrs. Disbrow, holds various activities during their club periods. These include the planning of their annual "Kuchen Ausverkauf," a cookie sale at Christmas time for the benefit of East German refugees. The German Club also took an active part in the high school's first International Carnival, the highlight of the language club's social year. Several of the boys and girls performed dances for the delight of all who attended. The activities of the German Club have provided a wide range of entertainment and enjoyment for all the members this year.

S. P. Q. R.

"Te moraturi salutamus." With this and other quotations on the tips of their tongues, the members of the Latin Club, otherwise known as the S.P.Q.R. (Socii professoresque Romani) Club, participate in a varied and unique program designed to stimulate an interest in Rome and the Romans. Each club period found the members of the Latin Club enjoying either skits, sacrifices, or slides of Rome. The club is famous for its colorful celebration of the Saturnalia and its excellent production of the assassination scene from Shakespeare's **Caesar.**

In past years, the "Toga Hop" has been the highpoint of the social year for the Westfield Romans, but this year the club participated actively in the International Carnival. Under the capable leadership of Mrs. Phyllis Winquist, Mr. Samuel Bunting, and Mr. Thomas Ryan, the club was active in the New Jersey and National Junior Classical Leagues, and had a very successful year.

Photography Club

Under Mr. Noel Taylor's direction, the members of the Photography Club learn the basic principles of the camera and photography. They also receive practical experience in the darkroom, processing film and printing finished pictures. These members sometimes help around school by taking necessary pictures, and through this experience gain valuable knowledge which will be useful in photographic careers or hobbies.

Weather Station Club

One of the new organizations at WHS this year is the Weather Station, under the able supervision of Mr. Norman Koury. In order to start the station, members had to purchase or build the instruments necessary to keep an accurate record of wind direction and velocity, barometric pressure, humidity, and temperature. Recorded three times daily, the weather information is graphed in order to predict future trends. In the future, the station plans to produce a daily weather report for the Westfield area. If it rains on graduation day, you will know whom to blame.

Radio Club

The Radio Club is a group of amateur radio enthusiasts who operate a radio station around the corner from Cafeteria "B." These hams can be found operating the equipment either before or after school and during study periods. The purpose of the club is to promote interest in the field of radio and electronics. This is accomplished through field trips and lectures on the latest developments in this dynamic field. Mr. Charles Reis of the science department is the club's sponsor.

Slide Rule Clubs

Through knowledge gained during weekly meetings, the members of the Sophomore Slide Rule Club and the Junior-Senior Club learn to perform the various mathematical operations of a slide rule. One can figure answers much more easily and quickly on the slide rule than by calculation on paper; therefore, the proficient use of a slide rule is essential in more advanced mathematics. Miss Hill and Miss Goldman teach the students the slide rule skills in preparation for their study later in high school and in college.

General Math Help Club

The General Mathematics Help Club is a popular innovation for students with difficulty in mathematics. Its purpose is to help students in this area through a broad program of development and improvement of the basic and more advanced mathematical skills. During the regular club meetings, Miss Jean Russo, adviser to the group, helps each member with his particular problem and discusses with the group certain areas in which there seems to be general difficulty. The students learn to recognize their mistakes and to apply their new knowledge to various topics in mathematics. Through this program of self-help, under the guidance of an alert instructor, the students' ability has increased through the year, and they have become more proficient in the field of mathematics.

Micro Biology and Advanced Biology Clubs

Westfield High School's biologists, under the able direction of Mr. John Elder, Mr. Clarence Jones, and Mr. Joseph Kursar, meet monthly to discuss and evaluate recent scientific achievements in their field.

The Advanced Biology Club, under the sponsorship of Mr. John Elder, probes the fascinating fields of dissection and embryology, while the Microbiologists, supervised by Mr. Jones and Mr. Kursar, have as their main aim the direction of careers into scientific research. One of the achievements of the advanced group has been the construction of an incubator for use in research projects. Many of the members are also participants in our Saturday Science Program.

Aeronautics Club

The Aeronautics Club was organized in 1954 and has steadily increased its membership since that date. The main objective of the club is to advance aviation within the high school. Its members learn with the aid of movies, discussions, and actual experiences flying model airplanes and seeing how they react.

With the aid of their adviser, Mr. Milton Luxemburg, the members have been able to hear speakers on such phases of aviation as AFROTC, private flying, and the advantages of serving in the Air Force while in the service of our country.

SPORTS . . .

Varsity Club

To belong to the Varsity Club, boys must win a varsity letter in some sport, wear the varsity letter on a regulation sweater, and participate in club activities. The main objectives of the club are to promote respect for athletes and to raise the standards of the varsity letter. In the past, members of the club have ushered at basketball games, served refreshments after important meets, and planned attendance at events of special interest to athletes.

Mr. Gary Kehler and Mr. John Lay of our physical education department serve as advisers to the group. Dave Coleman, a track star for the past two seasons, is the club's president.

Intramural Officials Club

Blowing the official's whistle during a game not only expresses authority but also represents an intricate knowledge of the many rules necessary for each sport. The Intramural Officials Club is composed of boys who wish to participate in intramural sports activities in an official capacity. These boys, directed by Mr. Joseph Della Badia, act as referees, timers, and scorekeepers for the intramural games.

G.S.C.

The Girls' Sports Council, headed by four student-elected officers, is made up of representatives elected from each of the three classes. Swiftie, Mrs. Marian Carter, and Miss Marjorie Rugen serve as enthusiastic advisers. Last fall, the council sold Loyalty Badges and decorated the halls with posters to add to our already bountiful school spirit. The biggest function sponsored by G.S.C. is the Country Dance, which takes place in March. Everyone dresses appropriately for this exhilarating evening. This year the council sponsored the Bennington College Dance Group in a performance which attracted many people and proved itself a big success.

Bowling Club

Every Tuesday afternoon some fifty students are seen heading in the direction of Clark Lanes for an afternoon of relaxation in what is becoming one of our nation's greatest pastimes — bowling. Under the direction of Mr. Bjarne Tonnesen, this club was formed to give to students interested in athletics and to those who just seek pure enjoyment from the sport an opportunity to engage in friendly but high-spirited competition. With this purpose in mind, the club strives to promote and foster good sportsmanshp. It participates in the annual Union County Bowling Tournament, which is held in April, and culminates its activities with a Father-Son Dinner in March.

Leaders' Club

At their weekly Tuesday morning meetings, girls, as leaders in their physical education classes, learn and practice the skills which they exercise in class. These girls have taken on the responsibility of assisting the teachers in the routine activities such as attendance and suit inspection, and also in leading the girls in class activities. Attendance at the meetings is essential and is encouraged by the offering of Leadership Awards annually to those who have participated at every meeting.

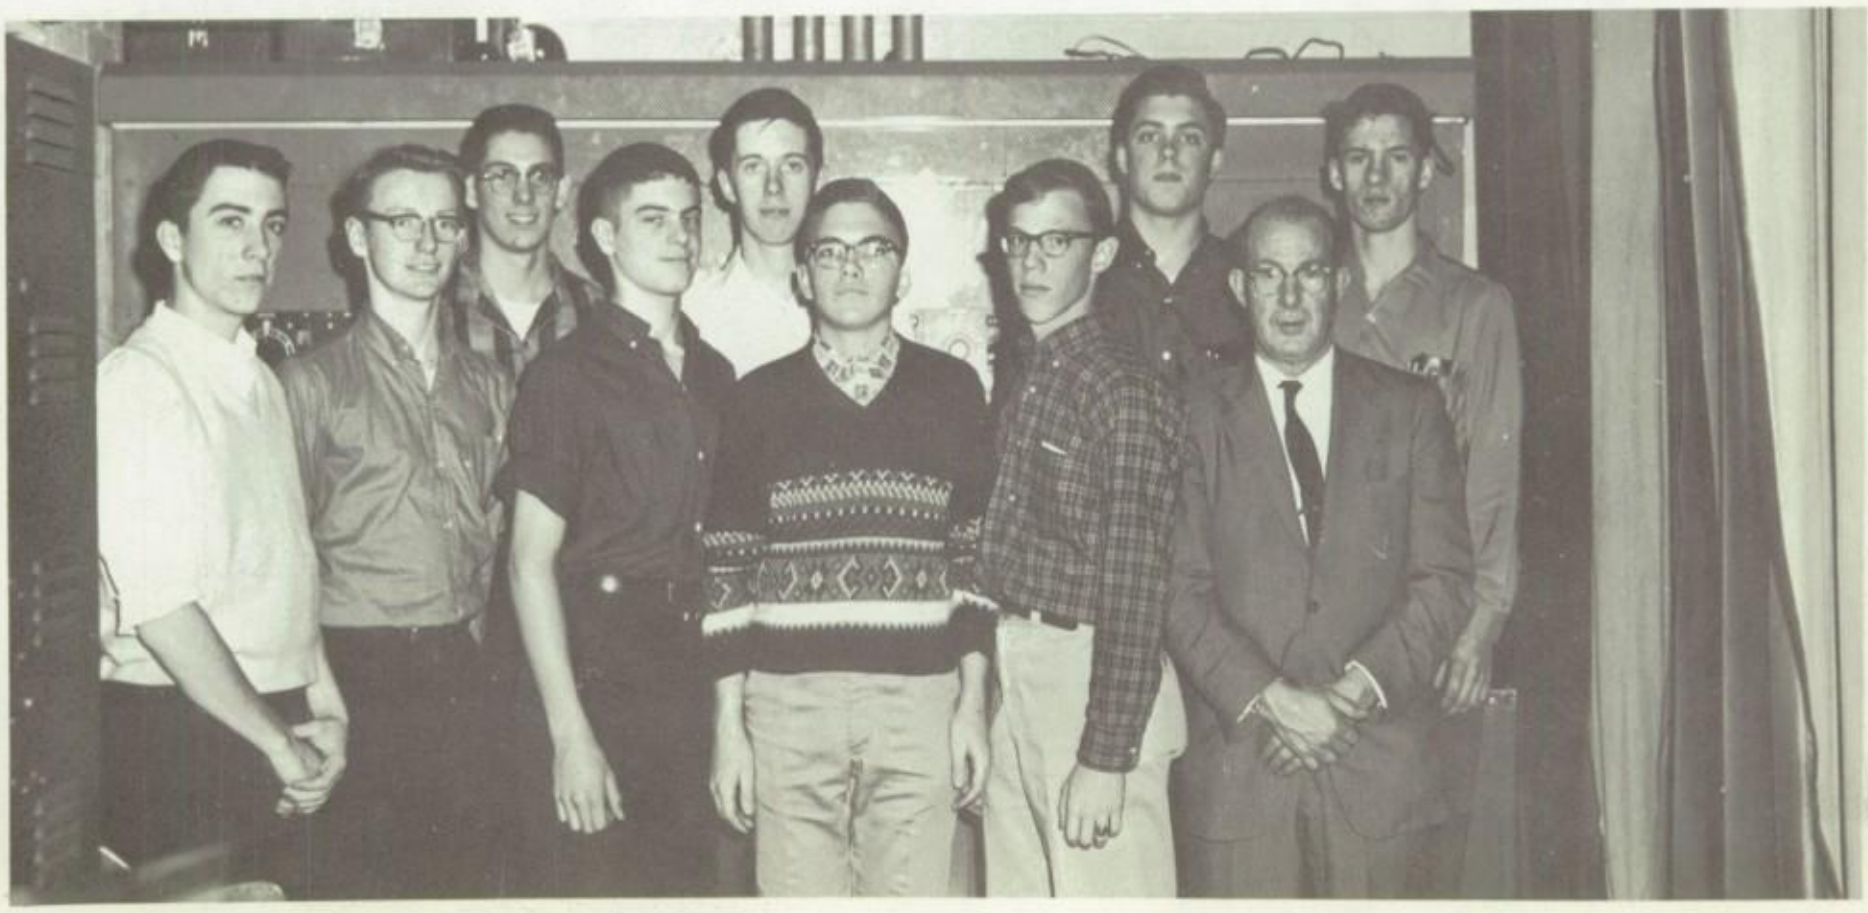
Projectionists' Club & Stage Technicians

Lights . . . ! Camera . . . ! Action . . . ! The groups which provide the lights and cameras for all Westfield High School functions are the Technicians' Club and the Projectionists' Club. These teams operate the audio and visual equipment at assembly programs, school dances and plays, special events, and class periods. Much of the success of these various productions is due to the boys' skill in lighting, sound effects, and technical assistance. Mr. William Gager serves as sponsor.



Library Council

The Library Council is one of the organizations which definitely works for the benefit of the whole school. The members' many duties include checking books in and out, arranging books on shelves, mounting pictures, and taking care of the magazine file.

The council has three purposes: interesting students in library work as a profession, training them for library work in college, and having them as helpers for the librarians. During the year, council members publish a booklet, "Between the Book Ends," which contains concise reviews written by council members.

Miss Marion Scott and Mrs. Ruth Wellman serve as moderators for the group while Carol Bevelheimer is president of the group.

Service Club

The Red Cross Service Club, comprised of a representative from each homeroom, under the direction of Mrs. Frances Sutherland, Mrs. Lorna MacDougal and Mr. Charles Rivera, is a true service club. As always, the two main projects are a school membership drive and a drive for contributions to the Children's Country Home. Another project is the collection of clothing to send to a needy family in some less fortunate area of our country. Council members have also helped in community drives and packing boxes to send overseas.

F. T. A.

The primary concern of American education today is not the development of the appreciation of the "good life" in young gentlemen born to the purple. Our purpose is to cultivate in the largest number of our future citizens as appreciation both of the responsibilities and the benefits which come to them because they are American and free. The J. Isabella Dodds chapter of the Future Teachers of America provides its members with first hand information concerning these concepts. Some of the activities undertaken by the society in search of this goal are a field trip to a college with a teacher education program and a day in the local schools when members may practice teaching methods.

Through F.T.A., high school students gain valuable insight into the teaching profession to help them decide on colleges and careers. The club is under the leadership of Mrs. Sandra Hinson and Mrs. Patricia Tretout.

F. B. L. A.

The F.B.L.A. is a national youth organization sponsored by the United Business Education Association. Under the leadership of Miss Alberta Mosciano and Mrs. Barbara Echterman, the club has devoted itself to providing young people with educational, vocational, and leadership experience to supplement classroom instruction. Faculty members and persons from the business world are regularly invited to speak and give advice on proper business behavior and attitudes. The club anually sponsors a social for the membership and visits various business establishments in order to see the theory of business applied.

STUDENT COUNCIL

The best of all government is that which teaches us to govern ourselves. — Goethe

In the spring of 1961 the following officers were elected for the Student Council of 1961-62: President, Ralph Russo; Vice-President, Gordon Diggory; Treasurer, Cappi Harris; and Secretary, Gail Reid. These four individuals and one representative or one alternate from each homeroom comprise the governing body of the school. The group is co-sponsored by Mr. Harold Shill and Mr. Samuel Loughridge.

In addition to discussing and acting upon ideas that are submitted by members of the student body, the council has successfully sponsored two dances; the "Kick-Off" dance, which inaugurates the football season, and the "Mid-Winter Ball," a fitting climax to a week of earnest study for mid-semester exams. This year the Student Council also set up another first at WHS — our own paperback book store which is a separate unit from the school store.

NATIONAL HONOR SOCIETY

The National Honor Society is an honorary organization designed to give recognition to junior and senior students who have achieved a position of high standing in their class in scholarship, service, leadership and character. Members must rank in the upper twenty per cent of their class, and have received a passing grade on all examinations. Maximum membership is ten per cent of the class.

New members are selected by the faculty and announced at a special assembly in the spring. They are formally inducted at a ceremony and reception attended by faculty, old and new members, and parents. The Society is under the astute guidance of Miss A. Elisabeth Gromlich, and this year's officers are President, William Tittle; Vice-President, David Mount; Treasurer, Mel Bailey; and Secretary, Barbara Wolff.

HI'S EYE

With the first issue of the **Hi's Eye,** it was evident that a number of changes had been made. The paper, in addition to having staff changes, is printed on a new paper stock and in the photo-offset method. Under the leadership of editor-in-chief Jean Flanagan, our school newspaper published nineteen issues in contrast to twelve in previous years.

The editorial staff of the **Hi's Eye,** ably advised by Mr. Walter Clarkson, includes Pat McInerney, news bureau editor; Kathy Roe, news editor; Anna Lee Gruber, features editor; Harold Shill, sports editor; Linda Small, fourth page editor; Nick Warburton, illustrations editor; and Jane Bronstein, assistant news bureau editor. Heading the business staff was Geoff West, business manager, assisted by Bob Kefalonitis, while Annabel Greisser handled circulation and promotion of the paper.

"But, we'll NEVER reach the yearbook's 188 pages!" **Hi's Eye** staff works toward deadline.

THE PERFORMING ARTS . . .

Choir

Since only the students with the most musical ability are admitted into the Choir, it is the goal of every interested student to someday be in the Choir. The Choir traditionally sings on three occasions during the school year. Their first appearance was in the traditional Christmas Pageant, in which the Choir sang and members of the Dramatics Department participated in tableaux.

In the Spring Festival, the Choir sang many songs, including two cantatas by Bach, "Yonder, Yonder," in which Susan Stanley sang a solo, and "A Jubilant Song," their last number.

The officers of the Choir have planned two social events for their fellow Choir members during the year. The party after the Spring Festival was open to anyone who had participated in the program. The Choir picnic is the last time the choir is together, and the senior members are presented with awards at this time.

The officers of the choir are William Tittle, president; Geoffrey West, vice-president; Susan Stanley, treasurer; Virginia Tice, girls' secretary; and David Pearce, iboys' secretary. Accompanists for the Choir are Bonnie Bird and Robert Gilbert.

Boys' Glee Club

The Boys' Glee Club is composed of boys from all three classes who show musical interest and ability. The Glee Club, whose music is always enjoyed by everyone who hears it, was again this year one of the highlights of the Spring Music Festival and the Christmas Program. Mrs. Gleason directs the group in learning the basic musical skills and in preparing for the functions in which they participate. This year Clark Byam is chairman of Boys' Glee Club and David Richardson is vice-chairman. The reward of many hours of practice for the Boys' Glee Club was the Spring Music Festival. In the Music Festival, the boys sang "Sea Fever," "Tarantella," and "Border Ballad."

Girls' Chorus II

The advanced Girls' Chorus II consists of seniors and juniors who have shown ability and interest in additional choral work. The chairman of the group is Jean McIntosh and the vice-chairman is Joyce Foster.

Under the direction of Mrs. Gleason and with Karen Koop as accompanist, the Girls' Chorus II performed in the Christmas Program and again in the Spring Music Festival. In the Music Festival, the girls sang "An Die Musik," in German, "The Thirteenth Psalm," "Longing," in which Kathryn Quad sang a solo and Carol Vanderbilt played the flute, 'Txiki Txikitik," and "May."

Girls' Chorus I, composed mainly of sophomores, is the starting point for girls in the music department. Through the year, the girls improve their musical ability, under the direction of Mrs. Hill. Their first appearance was at the Christmas Assembly early in December.

The culmination of hard work and diligent practice was the Spring Music Festival, in which the Girls' Chorus I sang "Every Flower," from **Madame Butterfly,** in honor of Toshiko Shibata, our exchange student from Japan and a member of the group. The girls all wore kimonos. The officers of Girls' Chorus I this year are Patricia Danko, who is chairman, and Nancy Thompson, the vice-chairman. The accompanists are Carol Centa, Ruth Fuhrman, and Karen Gross.

Girls' Chorus I

"Twelve"

The "Twelve" is made up of senior girls very carefully selected for their vocal ability and talent. The girls sang in many functions throughout the year, both in school and elsewhere. In the Spring Music Festival, the "Twelve" sang "To All Who Love A Song" and "The Younger Generation," and for an encore, "My Favorite Things." Included in their repertoire are also

"Thirteen"

The "Thirteen," a group of boys just as well-liked as the "Twelve," and just as well-known for their talent, have performed with the "Twelve" and alone in many functions both in and out of school. In the Spring Music Festival, the "Thirteen" sang "Tschaikowsky" a novelty tune, "When I Think Upon the Maidens," and "The Frog," in which John Judson's role will long be remembered. Some other songs they have sung throughout the year are "Get Happy," "My Ideal," "Desert Song," and "It Might as Well Be Spring."

Band

Dressed in bright blue jackets and trousers trimmed with a white stripe, the WHS Band marched onto the field under the capable direction of Mr. Robert Banks. We were certainly proud of our band at football games as they presented their intricate halftime routines. The atmosphere of a game could never have been the same without the spirit the band aroused. They also played for Blue Devil pep assemblies as well as for auditorium assemblies. The formal Winter Band Concert and the traditional Spring Pops Concert, both the culmination of many hours of hard work and practice, were very successful projects. Our band was seen marching in the community Halloween and Memorial Day Parades. We thank the members of the band, whose enthusiastic participation in school affairs is greatly appreciated but never given enough credit. The officers of the band are David Mount, president; Dan Hanke, vice-president; Carol Vanderbilt, secretary; and Stephen Freiherr, treasurer.

Twirlers

Flashes of color and spirit are added to Westfield's football games when the twirlers parade onto the field. Their syncopated marches and novel routines are varied at each game, inspiring the excitement and enhancing the pageantry of varsity sports with their displays of skill and enthusiasm.

Under the guidance of Mr. Banks, and led by senior Suzy Eddy, the twirlers displayed the spirit that was partly responsible for our victorious season on the gridiron.

Swing Band

Is that the Stan Kenton band I hear? No, it's the WHS swing band in one of their many jam sessions. Supervised by Mr. Banks, the members of this organization have joined for the pure enjoyment of playing together. These expert musicians supplied the music for our senior play.

Woodwind Ensemble

The Woodwind Ensemble, a new organization in WHS, is a small group of students with a true interest in music. The group rehearses twice a week purely for pleasure under the direction of Mr. Robert Banks. The ensemble made their only public appearance in December when they performed for the Old Guard at the "Y."

'62 Weather Vane . . .

Editorial Staff

This year's **Weather Vane** staff was greatly impressed by the goals which are set before us as students and Americans. We feel that striving toward these ends, which represent the finest achievements for humanity, requires constant excavation of our best resources. Every endeavor which we pursue should upon its accomplishment be an example of our sincerest efforts. The **Weather Vane** annual is the product of a staff dedicated to this ideal. Every section is meant to illustrate the theme in a way which upholds our strongest convictions. The art work is intended to convey our belief that the light of knowledge luminates the future. The quotations which coordinate the club activities with the theme signify the coordination between life's activities and its meaning which is essential if the highest goals are to be reached. Our yearbook is a reminder not only of this important step in life, our education, but also of those ends which are ours to achieve.

Talent, coaching, and a fierce determination were features of the undefeated, untied 1961 Westfield football team.

First-year Coach Gary Kehler abandoned the single wing for an explosive double winged T offense. Coach Kehler, assistants Norman Koury, Charles Reis, and Harvey Gerber, and Trainer John D'Andrea taught a willing team the new offense in only three weeks.

The Blue Devils had their finest moments in the traditional Thanksgiving Day game with arch-rival Plainfield. Leading 13-6 on a 62-yard run by Bill Bryant and a 37-yard pass from Bud Mueller to Dwight Winn, they repelled three Plainfield drives inside their own 10.

Westfield placed either second or third in New Jersey in the various ratings. Guard Greg Weiss and full back Jim Kovacs, both All-Staters, co-captained the Blue Devil eleven to the Watchung Conference title and the Central Jersey co-championship.

Senior linemen seeing the most action were Weiss, end Winn, guard Bob Adelaar, tackle Ed Mowry, and linebacker Bob Hoffman. Tackles Dave Morash and Earl Vigne, end Marty Howarth, centers Kip Kindregan and Bill Hedden, and guard Fred Doerr, all juniors, will anchor next year's line. Morash, Vigne, Howarth, and Kindregan were starters.

Adelaar and Winn were all-county selections. Morash and Howarth were honored with all-star selection.

Halfback Bryant, Kovacs, halfback Eddie Galauski, and Winn led the balanced Blue Devil scoring with 61, 52, 50, and 42 points, respectively. Junior quarterback Mueller gave Westfield a potent aerial attack to supplement the strong running game.

Kovacs scored three touchdowns in the rout of Roselle Park. Galauski gained 186 yards on 15 carries, scored one touchdown, and passed for another in the Columbia game. Bryant was consistently good. Junior Rick Thiele was called on frequently and gave the Blue Devils a quartet of strong runners with good speed.

Galauski made an all-county team and Bryant was a unanimous third team choice. Mueller and Thiele earned all-star mention.

A trio of sophomores, Harry Beane, Leroy Gallman, and Dwight Davies, should give Coach Kehler considerable backfield depth again next fall.

A question mark at the start of the season, the cross country team became one of the finest in WHS annals. State champion Dave Coleman left a school 2½ mile mark of 12:37 in the record books.

Co-captains Coleman and Dick Zaparanick were backed up by a talented group of sophomores and juniors which should keep Westfield strong in the future. Juniors Bob Meares and Ian Wanless and sophomores Steve Atwood, Steve Calvert, Tom Gregory, Gerry McGowan, and John Laudenberger appear to be the most promising.

Defending state champion Columbia held seven of the first eight positions at the mile in a key dual meet, but Coach Walt Clarkson's fired-up harriers rallied for a sensational come-from-behind victory.

Instead of slumping after a heart-breaking loss to Scotch Plains, the Blue Devils came back to whip them in the conference and state meets.

After wrapping up the Watchung Conference title, the team came closer to the state championship than any other in Westfield history. The Westfield score of 164 was only two higher than Teaneck's 162.

Coleman crosses the finish line to give Westfield another first.

The 1961-2 basketball team was one of the finest ever to represent Westfield. Coach John Lay's quintet brought home the Watchung Conference and Central Jersey Group IV championships on the way to a 23-3 record. They were the first Blue Devil five to win those titles and advance to the state finals.

All-county selections Dickie Myers and 6'10" Junior, Bob King, were the big guns along with Jerry Post, averaging 15.0, 21.3, and 10.1 points per game respectively.

King generally controlled the backboards and blocked many shots. His twisting jump shots, tip-ins, and layups were unstoppable. Roselle Park tried to collapse their defense to stop King and saw Myers set a school record of 38 points in one game. A brilliant ballhandler and passer, the 5'9" team captain was at his best in clutch situations with a deadly outside shot and the ability to drive.

Post was the unsung hero. The 6'3" redhead scored on jump shots and drives and was second only to King as a rebounder. Sophomores Bob Whitaker and Doug Carver and seniors Ralph Russo, Bill Lewis, and George Rushforth all had a significant part in several victories.

The Blue Devils' finest moments came in state tournament victories over defending champion Trenton and Camden, titlist the two previous years. Westfield overcame a ten-point halftime deficit against Camden. Behind by twelve points at intermission, the Blue Devils couldn't quite catch Weequahic in the finals.

With versatile runner Dave Coleman and shotputter Bob Hoffman shattering records almost every time they competed and the medley relay team winning a county title, Coach Walt Clarkson's indoor trackmen had a fine winter.

Coleman won the 880 in the St. Francis Games and the North Jersey Championships, surpassing his own school record with a 1:57.3 clocking. He won the state Group IV and Seton Hall Spiked Shoe 1000 yard titles and placed second in the state AAU and National Interscholastic meets, equaling the previous record of 2:15.1 in the latter.

Hoffman set new state Group IV and school records with a 57'3" throw in the state meet and placed first in the Spiked Shoe. His 48'7½" toss with a 16 pound shot earned him second in the state AAU meet.

Gil Stith set a St. Francis Games novice record, winning the 60 yard high hurdles in 8.1 seconds. Dick Zaparanick, Dwight Winn, Stith and Coleman teamed up to win the county medley relay title.

The Blue Devil swimmers climaxed an outstanding season by winning their second consecutive state championship and fifth in the last six years. Their 12-1 record was marred by a loss to powerful Pingry, which snapped a 59-meet winning streak. However, Coach Walt Clarkson's team tied Pingry for the county title and left a string of ten straight victories in the books.

Greg Weiss shattered his own state breast stroke record in the state meet. Kurt Kaufmann, Weiss, Doug Eakeley, and captain Clark Byam combined to win the medley relay. The 200-yard freestyle relay quartet of Bill Haney, Bill Elcome, Jim Lincoln, and Fred Warfield set a new school record while placing second.

Ted Connell set a new school 400-yard freestyle mark and two individual medley standards during the season and Kaufmann established a new school 100-yard backstroke record.

Weiss, freestyler Byam, and distance freestyler Bill Brower were the only senior lettermen. Juniors Kaufmann, Warfield, Haney, Bill Smart, Bob Chambers, and Lee Zeis and sophomores Connell, Eakeley, Elcome, Lincoln, Mike Ketcham, and Bruce Zimmerman should keep Westfield on top in the future.

Coach Gary Kehler turned out his usual strong wrestling squad, a team which fought to a 9-2 record and the Watchung Conference crown on a tie-breaking win over Cranford in its final match. However, senior Ken Cornell (123) and junior Dave Morash (167) won individual state championships, a feat never before accomplished by two Westfield wrestlers in the same season. Jim Powers, a 97-pound sophomore, was a district titlist.

A few champions don't make a good wrestling squad, and Coach Kehler certainly wasn't lacking in good grapplers. Dick Stiefken, Ron Langer, Bart Phelps, Dennis Minno, Joe Wiendl, Steve Petrucione, Ken Powers, Frank Mancuso, Bob Graf, Bill Hedden, Bob Adelaar, Earl Vigne, Bill Tomlinson, and Bruce Sargent gave Westfield an abundance of talent.

The Blue Devils should be a power again next year, since Cornell, Adelaar (157), Tomlinson (177), and Sargent (heavyweight) are the only first stringers graduating. In addition, members of the undefeated jayvee team will be ready for varsity competition.

TRACK 1962

FIRST ROW: B. Mackie, B. Hendriksen, B. Rainey, R. Fremon, R. Duncan (captain), R. Yockel, D. Coleman, B. Dowell, S. Gehrlein. SECOND ROW: W. Clarkson (coach), D. Zaparanick, W. Jones, K. Kindregan, R. Nitto, G. Gross, D. Schofield, K. Goldmann, K. Heindel, R. Schreck, R. Duncan (coach). THIRD ROW: W. Mackey (manager), D. Smith, P. Lorentz, R. Thiele, G. Stith, D. Lonsdale, B. Bryant, E. Mowry, K. Logan, B. Adelaar, B. Baumer, B. Meares, R. Faggins, H. Shill (manager).

The Westfield track team appears to be headed for an outstanding season. Co-captains Dave Coleman and Jim Kovacs, Dick Zaparanick, Bill Bryant, Bob Meares, and Rick Thiele are the only returning lettermen, but there is an abundance of talent among the 106 candidates.

Hurdler Gil Stith, shotputter Bob Hoffman, and junior high jumper Bob Hoyt seem to be threats to school records in their events. Hoffman, who topped the WHS shot put record in indoor track, is also a fine discus man.

Coleman and Kovacs will try to surpass their own school standards in the 880 and javelin respectively. The co-captains are both fine broad jumpers. Thiele, a junior, is a promising pole vaulter.

Miler Zaparanick and sprinter Bryant will have plenty of support in their events. Meares is a versatile middle distance runner. Under coaches Walt Clarkson and Joseph Della Badia, the cindermen should match or exceed last year's 7-2 record.

GOLF 1962

A rebuilding job faces Coach Gary Kehler in golf. Stripped of most of his stalwarts by graduation, it is doubtful that the linksmen will be able to approach the accomplishments of the 1961 team, which climaxed an undefeated season by winning the county title and placing second in the state.

Senior Bob Michaels is the lone returning letterman. Michaels has plenty of ability, but Coach Kehler needs much more depth for another outstanding season. Juniors Mike Ketcham, Kurt Kaufmann, and Allen Crawford may be able to take up some of the slack.

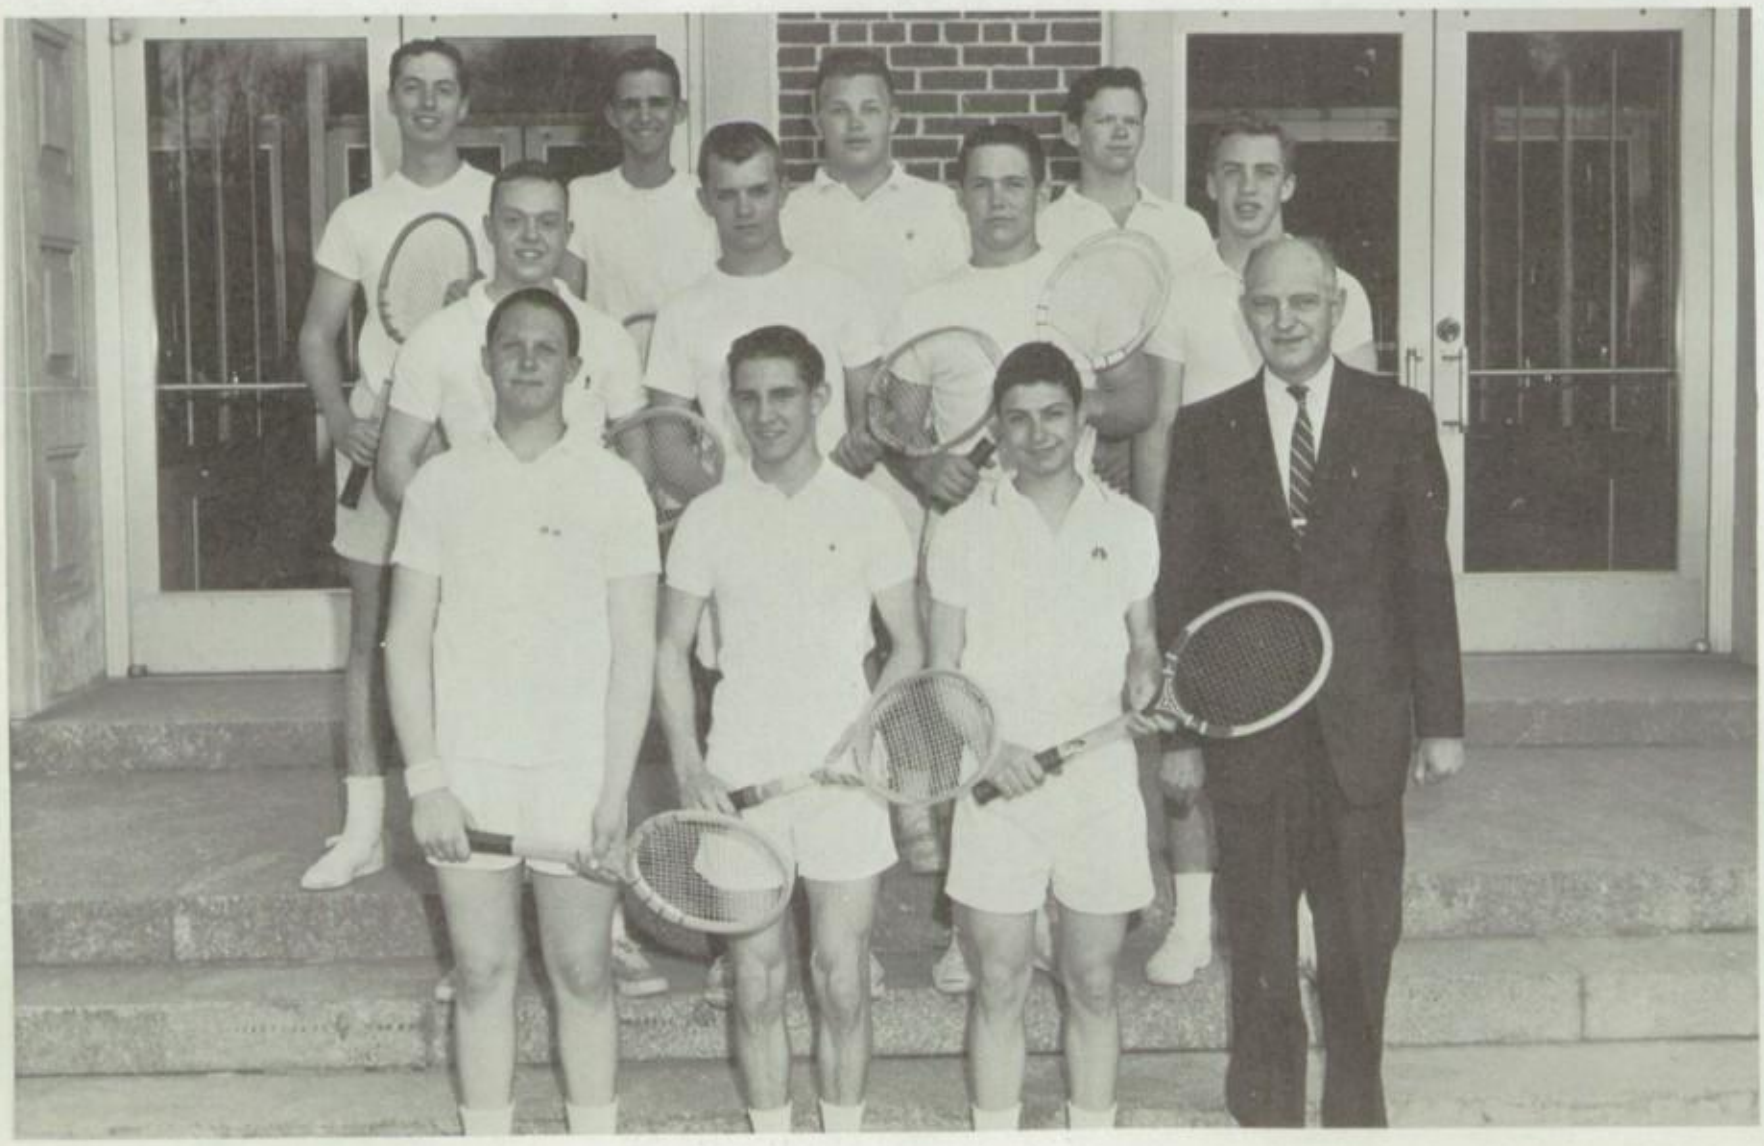
FIRST ROW: L. MacBean, J. Grant, B. Tittle. **SECOND ROW:** G. Kehler (coach), B. Hartigan, B. Michaels, T. Pearsall, A. Crawford.

TENNIS 1962

Coach Bjarne Tonnesen's tennis team should be among the best in New Jersey. Five experienced lettermen should spur the team to match or improve on a 13-2 record in 1961.

Team captain Dave Richardson, Bruce Sargent, Tom Perry, Dan Hanke, and Steve Booth are expected to be the top netmen. Promising sophomore Bob Stuhler and several capable non-lettermen give Coach Tonnesen more than adequate depth. Juniors Hanke and Booth will return next year.

FIRST ROW: S. Booth, T. Perry, S. Mandell, S. Bunting (coach). **SECOND ROW:** M. Day, J. Hitchings, J. May, D. Morash. **THIRD ROW:** D. Richardson, W. Schaffer, B. Sargent, J. Loeber.



FIRST ROW: T. Sharkey, D. Tokash, D. Myers, J. Wilday, D. Winn, A. Garvin, R. Vigilanti. **SECOND ROW:** P. Kennedy, A. Fredricksen, C. Felter, J. Loepsinger, T. Reid, P. Kupp. **THIRD ROW:** J. Lay (coach), E. Paquette, J. Post, E. Edmon, T. Gottlick (manager).

BASEBALL 1962

Coach John Lay's baseball team may be hard pressed to match last spring's 14-10 record with only four returning lettermen. Co-captains Dickie Myers and Don Tokash are fixtures at catcher and third base respectively. Pitcher Bob Richold and outfielder-first baseman Jerry Post are the other two emblem winners back.

Myers earned all-county honors last year for his excellent backstopping, 14 runs batted in, and .324 batting average, the latter two team highs. Tokash batted .290 and covered the hot corner in fine fashion.

Juniors Jim Smith and Marty Howarth are counted on to back up Richold, 3-1 in 1961, on the mound. Although there are many question marks, this team could be strong.

VARIED NUMBER OF SPORTS — ENJ

This rugged sport is enjoyed by members of the gym class. During September and October, the girls can be seen on the hockey field playing enthusiastically. This year intramural hockey was held twice a week, and the members competed against other high schools including Princeton, Chatham, and Scotch Plains.

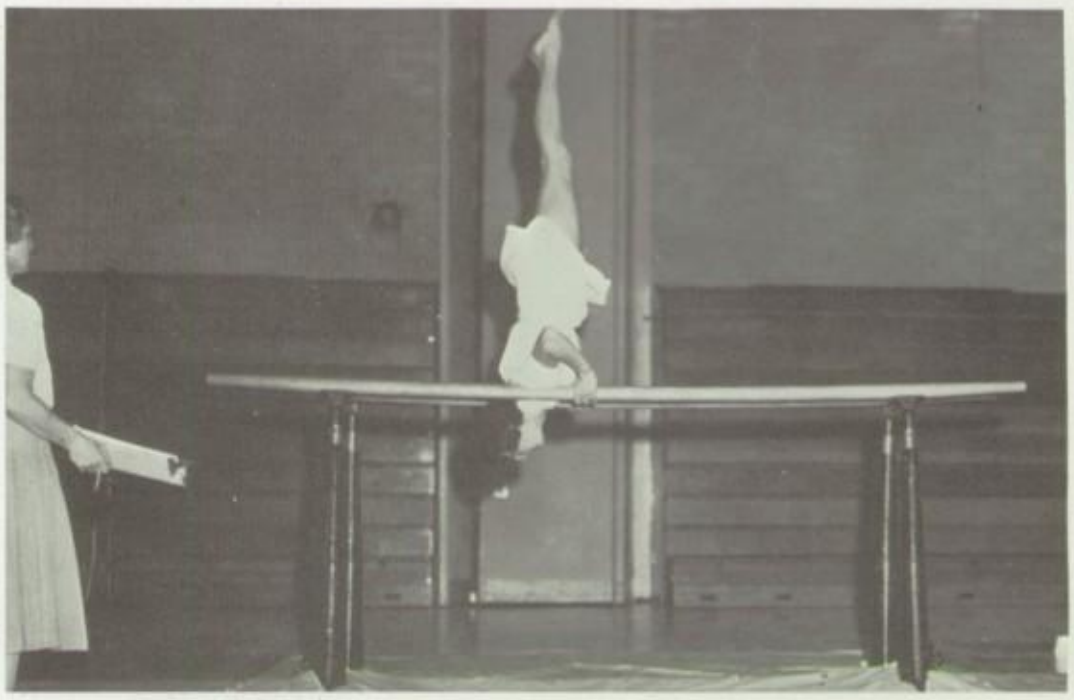
OYED BY MANY HIGH SCHOOL GIRLS

Basketball was held weekly after school for those girls interested in further developing their basic skills, sense of sportsmanship and team spirit. The intramural games were played with a great deal of pep and enthusiasm which was exerted by the girls, whether they won or lost.

The Modern Dance Club, under the direction of Mrs. Carter, is divided into two groups, the beginners and the advanced. Each group meets once a week after school. During this time the girls learn the basic fundamentals of dance, good posture, and choreography. This year they received instruction from a professional teacher in two master lessons after school. The Modern Dance Club also performs in the Girls' Physical Education program and dances in neighboring symposiums.

PREPARATIONS FOR THE GYM PROGRAM

The culmination of the Girls' Sports Department was on April 13 this year with the presentation of their annual Physical Education Program. This program exemplified the efforts put forth by the gym teachers and students throughout the year. Within a period of an hour and a half, the girls demonstrated their skills in tumbling, apparatus, modern dancing, Danish gymnastics and folk dancing. The climax of the evening came with the traditional marching competition between gym classes which ended the program with great excitement.



SPARKLE, PEP AND ENTHUSIASM . . .

JV Squad

"Everywhere they go, people want to know who they are. So, we tell them. They are our cheerleaders, mighty, mighty cheerleaders." The Westfield cheerleaders have gained a reputation of skill in Union County. Under the direction of Miss Ronne Toker, the cheerleaders originate and perfect the numerous routines displayed during pep rallies as well as at football and basketball games. Their undying enthusiasm and unusual routines entitle them to more than "three cheers" from the student body.

1962 WEATHER VANE

WESTFIELD HIGH SCHOOL
WESTFIELD, NEW JERSEY

To: Class of 1962

From: Geoffrey West, Editor-in-Chief

The best preparation for the future, is the present well seen to, and the last duty well done.
—MacDonald

What we do today is only the beginning of our end. What we do tomorrow is unknown to many of us, but we are still aware of the fact that what we do in the next few years will determine our various careers, achievements, and advancements.

Before we think of the future, let us reflect for a moment on the past years at WHS. Our class came from two schools to be put together in tenth grade as one unit, UNITATE FORTIOR. In our junior year we gave a successful prom to the Class of 1961; then our glory came — our senior year. This last year has been a memorable one for our class as well as the school. In the field of sports we can proudly say that all our athletic teams have been outstanding. In the field of extra activities our class had a very successful play and brought something back to WHS that it has been lacking for several years, school spirit. For most of us our school has been a home for the past three years, and now that that short time has elapsed and we are finished with our high school training, we should remember those who made this year successful: our instructors.

As Editor of the WEATHER VANE I would like to thank the following for their time and effort in the production of this book:

Mr. Frank X. Scott, our adviser who was an inspiration to the entire staff,

Becky Miner who has worked diligently in these past months as assistant editor,

The entire WEATHER VANE staff, especially the business staff and the feature staff for their successful sales campaign and promotion and production of the first Yearbook Dance,

The Juniors who did many tedious and boring jobs for us, especially Bob Worthing, our student photographer,

Mr. Galen Berkible, our school photographer, for his assistance and technical aid,

The faculty and administration for their cooperation, especially Miss Margaret Dietrich, our class adviser; Mrs. Betty Schenk, the art adviser; Mr. Gomer Lewis, our financial adviser; and Mr. Melvin Michaels who helped to schedule and supervise the photography of group pictures.

Lots of Luck in the future.

Jeff
